O'Flaherty, 2010-09-07 Spirituality that takes shape around regular Sunday and Sabbath worship is central to the historical identity of Christianity Through the lens of this book we see also that such a spirituality is central to nurturing a healthy thriving society Here fourteen contributors from diverse traditions across the spectrum of American Christianity examine how Christians and others can find needful rest through Sunday and Sabbath in managing the pressures of our 24/7 global culture

Jeremiah and Lamentations (ESV Edition) Philip Graham Ryken, 2016-05-13 The prophet Jeremiah is a supreme example of how believers can live well in a society that has turned against God While the book of Jeremiah chronicles the last desperate days of Jerusalem before it is conquered by an invading army Lamentations expresses the cries of Jeremiah's heart for the fallen city Together the two books reflect on the meaning of human suffering and illustrate the eternal principle that a man will reap what he sows In this commentary Philip Graham Ryken helps pastors church leaders and Bible teachers understand and teach these spiritually relevant books inspiring readers to respond to God's personal call to live for him in these troubled times Part of the Preaching the Word series **Egypt's Ramesside Pharaohs and the**

Persians Emmet Sweeney, 2021-10-01 The accepted chronology of ancient Egypt Persia and Babylonia is wrong to a dramatic degree with some major historical events mis dated by several centuries Matching events matching biographies and matching cultural artifacts show that many important people whom we are taught lived in different eras were in fact contemporaries Modern Egyptologists tell us that Seti I and Ramses II reigned 700 years before the rise of the Medes and Persians but Emmet Sweeney marshals archeological and linguistic evidence to show that Ramses II s dynasty was terminated by the Persian Conquest of Egypt 525 BC Seti II hailed by the Egyptians as a warrior and hero turns out to be one and the same as Inaros the Egyptian patriot who waged war against Xerxes and was eventually impaled on the orders of Artaxerxes I Egypt s Ramesside Pharaohs and the Persians represents the final volume in the reconstruction of Near Eastern antiquity bringing us from the start of the 6th century down to the early 3rd The history presented here will appear at the same time both familiar and startlingly new Readers will see how Ramses II normally believed to have reigned during the 14th 13th century BC was actually a contemporary of Cyrus the Great founder of the mighty Persian Empire They shall find how during the latter years of Ramses II Cyrus usurped the Median throne and under the Assyrian title of Tukulti apil esharra Tiglath Pileser conquered Lydia Babylon and all of Palestine as far as the borders of Egypt Names well known from biblical history such as Sargon and Nebuchadrezzar are shown to be identical to characters equally well known from classical history including Darius I Artaxerxes I and others Analyzing events like the Persian War against Greece and Alexander s conquest of Persia Emmet Sweeney goes far beyond studying the monuments of each land He has consulted ancient authors such as Manetho and Herodotus as well as the hieroglyphic documents of Egypt but in addition Sweeney discusses how the design of chariots for example went through a very definite evolution an evolution accurately depicted by the artists of the time Close study of such evidence may help to date the reign of a king with a high degree of accuracy Three dozen illustrations and a variety of timelines help bring the startling picture into sharp focus What God Does When Men Lead

Bill Peel, 2012-11-09 Let s face it men We may not all think of ourselves as leaders but we each want to be the kind of man people admire strong confident and courageous A man whose life really makes an impact a man who is secure in himself and who takes good care of the people he loves But a lot of us secretly don t believe we have what it takes to lead If this sounds familiar and you feel like you re holding back from the best life has to offer best selling author Bill Peel has good news God has created and equipped you with specific gifts that will help you fulfill the plans He has for you as a man and as a leader In What God Does When Men Lead Bill will show you how to discover your true power and potential resulting in a richer family dynamic a more rewarding work environment a transformed church in short a deeper and more satisfying life than you ve ever imagined *A Theology of Justice in Exodus* Nathan Bills, 2021-03-03 This book traces the theme of justice throughout the narrative of Exodus in order to explicate how yhwh s reclamation of Israel for service worship reveals a distinct theological ethic of justice grounded in yhwh s character and Israel s calling within yhwh s creational agenda Adopting a

synchronic text immanent interpretive strategy that focuses on canonical and inner biblical connections Nathan Bills identifies two overlapping motifs that illuminate the theme of justice in Exodus First Bills considers the importance of Israel's creation traditions for grounding Exodus's theology of justice Reading Exodus against the backdrop of creation theology and as a continuation of the plot of Genesis Bills shows that the ethical disposition of justice imprinted on Israel in Exodus is an application of yhwh's creational agenda of justice Second Bills identifies an educational agenda woven throughout the text The narrative gives heightened attention to the way yhwh catechizes Israel in what it means to be the particular beneficiary and creational emissary of yhwh's justice These interpretative lenses of creation theology and pedagogy help to explain why Israel's salvation and shaping embody a programmatic applicability of yhwh's justice for the wider world This volume will be of substantial interest to divinity students and religious professionals interested in the themes of exodus exile and return
