

Your safety - our priority.

When you work in unforgiving terrains, safety is a necessity, not a luxury. The Volvo BL60 delivers the features you need. From easily accessible service points and integrated loader safety strut, to the retractable seatbelt and mechanical parking brake, the BL60 is built for safe operation.

Set your sights on any job

Whether you choose the ROPS or cab version, the Volvo BL60 operator station was built for your work. With strategically placed posts and wide, flat cab windows, you get unobstructed, panoramic views of the site from virtually any working angle. In addition, cab windows can be opened fully or partially for increased ventilation.

Take control of the site

The Volvo BL60's controls are ergonomically placed to reduce fatigue and maximize productivity. Comfortable grips and responsive handling allow operator to raise, lower, tilt, return-to-dig and float with precision and speed.

Well-lit display indicators are configured on the right side console for easy access. The console features a lockable guard to prevent damage and theft. Additional lockable storage for tools, gloves and manuals is also provided.

Entering and exiting the machine is simplified with easy-to-reach handrails and repeated steps on either side of the machine. And for added safety in low-light conditions, the BL60 is equipped with two front and two rear halogen working lights, hazard flashers, and a back-up alarm.

A higher level of comfort

Extend your operating season with a standard heater/defrost system. And you can get more comfort features like a cushioned, adjustable suspension seat and provisions for a radio.

More care, built in

To provide maximum uptime and machine life, the Volvo BL60's design allows for fast and convenient maintenance with 50-hour greasing intervals, a tilt-up hood, ground-level fluid checks, common filter access points, reliable and fixed-flow hydraulics. It doesn't get any simpler: quality components, thoughtfully arranged to make servicing easy. That's what Volvo likes to call more care, built in.

Designed to go the distance

When you can't afford to lose a single day's work to service or repairs, it pays to go with a name you can trust. Volvo Backhoe Loaders are backed by a standard Volvo warranty and a reliable dealer/service network to keep you up and running. Contact your local Volvo dealer to learn about the benefits of available extended warranty programs.
