Togun,2010-10-12 Habass looked at the shattered head of his man astonished the police were such good marksmen For him this was a signal to move Without the grenade launcher he knew it would be difficult to match the firepower of the anti riot police who out numbered them The jeep leapt forward and out of its parking space before tearing out on screeching tires Smoke from its burning tires rose into the air like wisps of steam from a teacup Isah got behind the wheel of the Toyota Liteace minibus while the others scrambled in As the vehicle screeched out of its parking space volleys from the concerted fire of the anti riot policemen hit it repeatedly shattering all the glass windows wind shields and deflating its tires Yelps of pain emanated from the occupants as the slugs lodged in their bodies Having no other option the robbers spilled unto the street once again firing wildly as they tried to make their get away on foot It was an effort in futility *Winning* Matt Stone,Preston Lerner,2023-08-31 Winner of International Automotive Media Gold Award 2010 For all his fame as one of Hollywood s great actors a world class humanitarian and the proprietor of a natural food empire the late Paul Newman had another intriguing facet that was less known and perhaps closer to his heart than all the rest of his well chronicled life He was an avid successful and well respected car racer and team owner This book tells that story from Newman s racing career begun in earnest at an age when many race car drivers contemplate retirement to the partnership he formed in 1983 with Chicago racing entrepreneur and team owner Carl Haas to the impressive stable of automobiles he owned from the Porsches and Ferraris to quirkier modified VWs and Volvos This is the tale of a life full of passion and skill of someone who entered the 24 Hours of Daytona at the age of 70 and made his last professional race outing at 82 whose roster of drivers for Newman Hass reads as a who s who of open wheel racing and whose interest in cars extended from the likely suspects to old trucks and new hybrids And then there s the charming pal who when the incorrigible prankster Robert Redford had a miserably wrecked Ferrari dropped at his front door returned the favor by having the car crushed into a cube delivered to Redford s living room The anecdotes the races the cars all are here adding up to what for many would be a full life but for Paul Newman was simply another side of a man of talent conviction and enduring spirit See Motorbooks author Matt Stone interviewed by Jay Leno on JayLenosGarage.com <http://www.jaylenosgarage.com> video jays book club matt stone 1164286 **Popular Mechanics** ,1995-03 Popular Mechanics inspires instructs and influences readers to help them master
