Vbs Superhero Curriculum For Preschool:

Magic Capes, Amazing Powers Eric Hoffman, 2014-12-02 What to do when the The Incredibles and Spiderman invade your classroom Superman Comes to Preschool Kathleen E. Ritchie, Zita M. Johnson, National Association for the Education of Young Children. Convention, 1982 Systematic efforts at the Arizona State Child Study Laboratory were successful in replacing children's undesirable superhero play with other types of sociodramatic play Teachers found superhero play undesirable because it was aggressive and noisy and was accompanied by an increase in random activity Observations indicated that superhero play had all six elements of sociodramatic play discussed by Smilansky but did not fully develop them Specifically such play was limited in the roles adopted by children did not build on past experience or encourage sharing ideas through language and emphasized conflicts that were resolved by physical aggression or flying away However the popularity of superhero play showed that it met real needs for active play and for expressing angry and aggressive feelings Other sociodramatic play was encouraged by gradually introducing costumes props and materials around a theme such as transportation or a grocery store and by preparing the children through field trips discussion and stories The teacher's general role was to deliberately enrich and change the environment and to suggest techniques for getting along with others if conflicts arose However the teacher had to supplement her role with children who depended on a superhero identity to compensate for their lack of self esteem and social skills by directing them into new activities CB *Superhero Academy* Jade Raybin, Gan Golan, 2013-05-17 Create your own Superhero This activity book is a step by step guide to creating a superhero character based on your own best qualities It is an interactive process designed to foster out of the box thinking and original ideas Children aged 4-7 will need the help of an adult to read and complete the varied activities while most children 8 and up can complete the process on their own Kids start by learning about what makes a superhero super then by naming three things they are good at They then place their talents into The Exaggerator a magic tool that turns their normal positive qualities into Superpowers Their Superpowers then steer their name creation process the development of their origin story their superspeedmobile and the design of their unique symbol calling card costume sidekick and finally amazing tale of how they saved the day What's different about Superhero Academy is the fact that Saving the Day is grounded in the real world Some heroes may save the Bengal tigers while others save the beaches or stop bullies dead in their tracks Thinking through who and what your superhero will save sparks learning about connections in our world For example if you want to save the tigers must you also protect the jungle they live in Superhero Academy ignites the heroic imagination of children Kids build a positive self image in a fun and playful way Help a child harness their inherent creative genius and use their powers for the good of all **Superhero Kids Do Amazing Things** Cj Creations, 2019-04-30 Superhero Kids Can do Amazing Things highlights all of the great things that kids can do the good deeds learning and playing You can use this value book to help motivate your kids to all the amazing activities that they can do After all if kids can do the things that
