(Higher Institute of Villainous Education)** Mark Walden,2011-08 H I V E Higher Institute of Villainous Education is a top secret school of applied villainy where children with a precocious gift for wrongdoing are sent to develop their talents into criminal mastermind After all villains have the best lines and wear the best costumes One small catch is that the children cannot leave until training is complete six years later With villainy comes a certain freedom of thought and every year one student in particular will show exceptional talent after all it takes the best to produce the worst This year there are two students Otto Malpense and his new friend Wing Fanchu are both exceptionally bad and they are definitely not keen on being held against their will for six long years **Dreadnought** Mark Walden,2012-06 A renegade faction of the world s most powerful villains is intent on destroying G L O V E Global League Of Villainous Enterprises and showing the world the true face of evil The Disciples begin by hijacking Diabolus Darkdoom s Airborne command post then they kidnap his son and his son s best friend Unfortunately for them Nigel Darkdoom and Franz also happen to be Otto s friends Heading out to America Otto Wing et al embark on a perilous and highly unauthorised rescue operation Cut off from the support of H I V E and on the run from American security forces the hunt for their friends leads to one of the US military s most secret facilities It becomes clear that the Disciples are not all they appear and in a desperate race against time Otto must work out who his real friends are and prevent the Disciples from completing their true objective Only Otto can save the world from domination by a sinister new world order but it might be that the price he has to pay is just too high When it comes to the crunch will he be prepared

to sacrifice himself      **Rogue** Mark Walden,2011-09-27 The leaders of the world s villainous forces are being picked off one by one in a series of mysterious attacks and Dr Nero is forced to take temporary control of G L O V E when Diabolus Darkdoom is seriously injured He then discovers that Otto who has now been missing for several months since Dreadnought is leading the attacks Under pressure from the remaining members of the ruling council Nero is left with no choice but to issue a capture or kill order for Otto Wing learns of the order and persuades Raven to allow him to join her on her mission to retrieve Otto Other members of the ruling council suspicious of Nero s relationship with the boy have initiated their own missions to eliminate Otto Wing and Raven find themselves in a deadly race against time to track Otto down before the other G L O V E assassins get to him Their pursuit takes them to a secret facility hidden deep within the Amazon rainforest where they face a mysterious operative even deadlier than Raven Meanwhile back at H I V E the school s own automated defence systems turn against the pupils and staff And there is no one there to stop it      **Hobbies** ,1954      *The Publishers Weekly* ,1956      **The Compact Edition of the Oxford English Dictionary** Sir James Augustus Henry Murray,1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933      **F.I.E.S.** Mark Walden,2011
