## **Value Based Marketing Peter Doyle:**

**Value-based Marketing** Peter Doyle, 2009-08-27 This book provides a clear practical introduction to shareholder value analysis for the marketing professional. It gives them the tools to develop the marketing strategies that will create the most value for business. For top management and CFOs the book explains how marketing generates shareholder value. It shows how top management should evaluate strategies and stimulate more effective and relevant marketing in their companies. The original essence of the first edition has been maintained but obvious areas have been updated and revised as well as new areas such as technology have been addressed. The second edition of this book has been written by a ghost writer who has fully updated, enhanced and replaced statistics, case studies and other outdated content with the help of a select advisory panel, each of whom has acted as a subject expert, a guide and as part of a steering committee. The highly prestigious panels of contributors include Jean Claude Larrich INSEAD, Veronica Wong Aston Business School, John Quelch Harvard Business School, Susan Hart Strathclyde Graduate Business School, SGBS, Michael Baker Emeritus Professor SGBS, Tim Ambler London Business School, Tony Cram Ashridge. Table of Contents: PART I Principles of Value Creation 1 Marketing and Shareholder Value 2 The Shareholder Value Approach 3 The Marketing Value Driver 4 The Growth Imperative PART II Developing High Value Strategies 5 Strategic Position Assessment 6 Value Based Marketing Strategy PART III Implementing High Value Strategies 7 Building Brands 8 Pricing for Value 9 Value Based Communications 10 Value Based Marketing in the Digital Age

**Marketing Management** Gregory Whitwell, Bryan A. Lukas, Peter Doyle, 2003-03-07 This text is the Australasian adaptation of Peter Doyle's Value Based Marketing. It reformulates marketing, making it more relevant and establishing it on a sounder intellectual basis. The governing objective of management in most of today's leading companies is to maximize long term returns to shareholders. This book redefines marketing's role as contributing to this task of shareholder value creation. It explores how marketing planning and decisions about brands, pricing, communications, distributions and the Internet drive corporate value. This step by step guide provides practical ways to develop marketing strategies that generate growth and shareholder value.

**Managing Marketing** Roger Palmer, Juanita Cockton, Graham Cooper, 2012-06-14 The newly qualified manager may well be equipped with the skills of the What of marketing and management but not know the How. The practicing marketer is well served with guides on strategy, mainly of the four minute plan variety but poorly served in terms of basic advice on implementing the strategy and plans. This book is therefore designed to give clear guidance in managing the marketing function as a practical entity and allowing the new marketer to grasp how the theory can be applied to the job. Written by practitioners who are also active in the marketing education and training sectors, it gives the reader a clear overview of how the key areas of marketing knowledge can be made operationally effective. How to make marketing practical and measurable. A huge range of examples and vignettes illustrating best practice. A truly international perspective. The book will be an invaluable toolkit for the newly qualified and newly appointed marketer trying to apply their knowledge of the

theory     Contemporary Strategic Marketing Ross Brennan, Paul Baines, Paul Garneau, 2007-10-12 An extremely fluent and effective text designed to be a complete resource for single semester modules this new edition has a unique combination of text case studies The emphasis is on practicality and the text encourages the student to engage with the debate itself and not just the theory Also available is a companion website with extra features to accompany the text please take a look by clicking below <http://www.palgrave.com/business/brennan>     **A Very Short, Fairly Interesting and Reasonably Cheap Book about Studying Marketing** Jim Blythe, 2006-10-18 Studying Marketing is packed full of lively debate and funny anecdotes covering topics marketing students are familiar with such as key thinkers and concepts and some they are not It looks at areas most textbooks ignore such as the development of marketing as a discipline and as an academic subject and raises arguments that students haven't heard about in their lectures Conceived by Chris Grey as an antidote to conventional textbooks each book in the Very Short Fairly Interesting and Reasonably Cheap series takes a core area of the curriculum and turns it on its head by providing a critical and sophisticated overview of the key issues and debates in an informal conversational and often humorous way Suitable for Marketing students at Undergraduate and Postgraduate level Along with professionals involved in marketing and anyone interested in how marketing works     *Market-Led Strategic Change* Nigel F.
