*Crave (Vampire Beloved Book Five)* R. E. Butler, 2021-06-14 Tiger shifter Aeryn's culinary school dream comes true when she accepts a job at the vampire coven's new restaurant. Her family is worried about her being around so many vampires because her shifter blood is a powerful allure to them, but she's been promised by the master of the coven that she'll be safe and she trusts she will be. Merrix has only been a vampire for five years, but he loves everything about it: immortality, strength, speed, and an allure to humans that makes him irresistible. Working for the coven's construction company keeps his nights busy, but his days are lonely, and he hopes he meets his true mate soon. When he goes to the new vampire restaurant with his boss for a performance review, an accident in the kitchen brings the most captivating scent to him, and he rescues the beautiful Aeryn from a newbie vampire. Working for the restaurant and being seen with Merrix makes Aeryn a target for the coven's enemies, the First Church of Humanity. When she's taken, can Merrix get to her in time before the dangerous anti-vampire group makes an example of her, or will their new relationship be ended far too soon? *Vampire Watcher's*

*Handbook* Constantine Gregory, Craig Glenday, 2003-10-17 An authentic guidebook to vampire watching and hunting that will excite vampire fans everywhere. The Vampire Watcher's Handbook presents a wealth of information on the lore and history of vampires.

**Spoofing the Vampire** Simon Bacon, 2022-10-24 Famous for being deathly serious, the vampire genre has a consistent yet often critically overlooked subgenre: the comedic spoof and satire. This is the first book dedicated entirely to documenting and analyzing the vampire comedy on film and television. Various types of comedy are discussed, outlining the important differences between spoofing, serious spoofing, parody, and satire. Seminal films such as *Abbott and Costello Meet Frankenstein*, *Love at First Bite*, *Vampire in Brooklyn*, *Dracula Dead and Loving It*, and *What We Do in the Shadows* are featured. More importantly, this book demonstrates how comedy is central to both the common perception of the vampire and the genre's ever-evolving character, making it an essential read for those interested in the laughing undead and creatures that guffaw in the night.

**Vampire's Cupcake** Holly Day, 2025-07-04 Humans off the paved road are nothing but vampire food. Eli Stark owns the only grocery store in Last Hope, and he does what he can to feed the people in the human settlement, but the food scarcity is real, and most don't have money to spend. When there is a change of members on the town board, things get even worse. Thano Moonlight is the leader of the supernatural beings ruling the area around Last Hope. For the last ten months, they've ruled the human settlement as well, but it's time to hand over the reins. If the humans want to make their lives harder, they should have the power to do so, but he's reluctant to leave Eli behind. When things turn critical in the town, Thano takes Eli to The Moonlight Ranch, but Eli can't just abandon the people in Last Hope. They rely on him to make sure there is food to buy. If he has to choose between being with Thano or saving an entire village from starving, he should choose the village, right?
