the zombie apocalypse meant a future with unlimited possibilities Gone were the horrors of the past such as not being able to get a decent username or feeling obligated to order a salad to post on the internet It s been a dozen years and Kate has her heart set on teaching the rising generation of students to follow their dreams but when a mysterious cure is advertised over the old radio waves the deeply disturbed world that the survivors live in is thrown into hilarious chaos EDITORIAL REVIEWS ON INTERNATIONAL WORST SELLING AUTHOR JACOB WALL LING S LATEST MASTERPIECE If you combined the elegance of CS Lewis and the suspense of Stephen King you d have something that is very different than this novel But I would be interested in reading that novel It s like 50 shades of gray without the sex or interesting parts or sells It s a way to spend time I ve never heard of it J K Rowling maybe if we were able to ask her to leave a quote about this book It s Leslie Knope meets the Zombie Apocalypse a writer that wished to remain anonymous so people wouldn t know he wrote it about his own story I think the author does a good job of using mostly words that are real words My favorite part was the ending because it was over At first I wasn t sure what to think But then I was later sure of what to think On a scale from War and Peace to Twilight Fan Fic it falls somewhere on that scale So full of buzz feed quality material they should offer the author a buyout The novel of our generation If we had all died And there were no other books ever written Endlessly quotable and a great time Brandon Sanderson something he might have said about a different book In no way did this book contain anything remotely resembling intelligence Everyone that read it is now stupider for having done so I award this book no points and may God have mercy on the author s soul Author s Best Friend **The Undead Road** David Powers King,2016-01-02
