 Goddard, Know Thyself Publishing, 2023-09-15 **Power of Awareness** Neville Goddard, 2010-06 Reprint of 1952 first  
 edition Neville Lancelot Goddard was born in Barbados in 1905 He came to the United States to study drama at the age of  
 seventeen and whilst touring with his dance company in England he developed an interest in metaphysics after striking up a  
 conversation with a Scotsman who lent him a series of books on the powers of the mind On his return he gave up the  
 entertainment industry to devote his full attention to the study of spiritual and mystical matters After traveling extensively  
 throughout the United States Neville eventually made his home in Los Angeles where in the 1950s he gave a series of talks  
 on television and radio and for many years lectured regularly to capacity audiences In the 1960s and early 1970s he confined  
 most of his lectures to Los Angeles New York and San Francisco In his early lectures and books Neville dealt solely with what  
 he called The Law the technique of creating one s physical reality through imagining It is this portion of his expression that  
 most closely accords with the teachings of the New Thought movement In 1959 he began to experience what he called The

Promise In the latter part of the 1960s and early 1970s Neville gave more emphasis to The Promise than to The Law One could use imaginal power to change one's circumstances he said but it would be temporary and will vanish like smoke He went on to explain that The Promise superseded The Law claiming Oh you can use it The Law to make a fortune to become known in the world all these things are done but your true purpose here is to fulfill Scripture After subordinating The Law to The Promise he became as eager to hear accounts by those who had experienced The Promise and sharing such accounts as he had earlier of those with The Law The Power of Awareness attempts to demonstrate how to use our mind to realize our wishes As such it is an important part of the larger New Thought Movement in which Neville holds a prominent place
