Rodeo Bears Ultimate Box Set (BBW Bear Shifter Romance Novella Series) Becca Fanning, 2017-12-17 These Bear Shifters buck hard so you'd better hang on The Rodeo Bears Ultimate Box Set is here Contains the following novella stories

EDWARD Edward Tyrell has a drinking problem Well what he really has is a problem paying for his drinks He can't help being so thirsty he never asked to be a Bear Shifter His debts always seem to catch up with him and this time it meant being tossed out of the beer tent Softening his fall was a curvy little thing full of spit and vinegar The more he smiled the more she raged Some problems are more fun than others

OWEN Owen Hutch was used to the attention and not just because he was a six foot tall Bear Shifter Everywhere he went women fawned over him and men pretended not to stare He was like a mirror of pure success everyone looked at him and wondered what they would look like if they were as confident and self-assured as he was Walking into a room meant their conversations ended Walking into a boutique meant their month was going to have record sales All because he could ride a bull longer than just about anyone else in this sport But then there was that sassy little thing with the blue eyes He didn't impress her and that made her all the more interesting

COLBY Colby lived in eight second bursts On a bull that's all the time you had You had to respect a massive beast who could easily stomp your skull into the dust if you crossed it You had to be at your very best for those eight seconds Pure adrenaline pure focus and pure concentration But the devil must've heard his plans because right as he was about to chase his glory he knocks the wind out of some little metropolitan thing He knew he could take a girl's breath away but this was ridiculous

JACOB Jacob liked getting to know his horse before he rode it Early in the mornings while the rest of the world was still sleeping that's when he got the best work done You didn't want to get onto a horse you haven't spent time with Jacob brushed the horse's flank watching how it reacted to him A scent drifted into his nose carrying on a light breeze Something familiar Something from his past Or more like someone from his past

HOLDEN Holden had a throbbing headache Not the best way to start out a Wild West show He tried to keep his pain out of his voice as he rubbed the long snout of his horse Horses could sense it and a rider on edge meant a spooked horse He tried not to think about the disappearing Shifters in the area and instead focused on tonight's show the last of the season Then it would be time for a vacation Somewhere sandy where they served drinks with those little umbrellas
