Sorensen, Being the new girl is always hard especially when you re socially awkward But when I move to Honeyton at the beginning of my senior year I try to look at it as a chance to start over And it kind of looks like I might succeed Not only do I

make a new friend but I also meet Hunter Hunter is from a wealthy and rumor has it dangerous family He s known as the town bad boy and everyone in school seems to be afraid of him But he doesn t seem that scary to me and I end up becoming friends with him But not everything in this new town is what it seems Ever since I moved here I ve started having dreams that I ve been to this town before And everyone seems to have secrets Including Hunter Includes books 1 3 in the A Pact Between the Forgotten Series The Art of Being Friends The Rules of Being Friends and The Art of Kissing

**The Opposite of Ordinary** Jessica Sorensen , In one day I went from being Ashlynn Wynterland one of the most popular girls in school to being the girl who spends lunchtime hiding out in a classroom and watching Maxon Harter and his science obsessed friends mess around with experiments All because Queeny Harlington thinks I made out with her crush Queeny Harlington is the queen of Fareland High And up until a day ago she was my best friend Now she s my worst enemy who s threatening to tell the entire school all of my dirty little secrets Being a friendless social outcast has its downsides So when Maxon invites me to hang out with him and his friends I accept his offer even though they all seem to despise me Which is fine Sort of The truth is I ve always thought Maxon is cute in a weirdly unordinary way And the more I get to know Maxon the more I find myself liking him But when Queeny decides to tell everyone my darkest secret of all my new friendship doesn t look as if it s going to survive As my heart breaks I make a choice that ends up shattering my world In that dark moment I discover that Fareland is a town with secrets and that nothing is what it appears to be A dark secret society romance that follows Ashlynn and Maxon from high school to adulthood
