The Rational Optimist How Prosperity Evolves:

The Rational Optimist Matt Ridley, 2011-06-07 For two hundred years the pessimists have dominated public discourse insisting that things will soon be getting much worse But in fact life is getting better and at an accelerating rate Food availability income and life span are up disease child mortality and violence are down all across the globe Africa is following Asia out of poverty the Internet the mobile phone and container shipping are enriching people's lives as never before In his bold and bracing exploration into how human culture evolves positively through exchange and specialization bestselling author Matt Ridley does more than describe how things are getting better He explains why An astute refreshing and revelatory work that covers the entire sweep of human history from the Stone Age to the Internet *The Rational Optimist* will change your way of thinking about the world for the better

The Most Intimate Revelations about the Rational Optimist Jacob Ging, 2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of *The Rational Optimist How Prosperity Evolves* Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don't buy this book if 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all

The Intelligent Optimist's Guide to Life Jurriaan Kamp, 2014-10-13 The world isn't coming to an end contrary to what you may have heard But the media's near exclusive focus on conflict and disaster means that the progress and everyday acts of brilliance taking place across the globe go unnoticed Jurriaan Kamp shows that optimism intelligent optimism not a rose colored glasses brand of wishful thinking is good for not only your mind but your body too He details a whole host of health problems that can actually be linked to pessimism Moreover there is good reason for optimism Kamp proves that on the whole we're living longer becoming smarter working less and growing richer Not only that democracy is on the rise and violence is declining This book will help you tune out the media's focus on sensationalism and negativity and turn on your natural optimism so you'll drop into a real world that's richer than you ever imagined
