**the Academy** Sonja Ardoin,becky martinez,2023-07-03 Why do we feel uncomfortable talking about class Why is it taboo Why do people often address class through coded terminology like trashy classy and snobby How does discriminatory language or how do conscious or unconscious derogatory attitudes or the anticipation of such behaviors impact those from poor and working class backgrounds when they straddle class Through 26 narratives of individuals from poor and working class backgrounds ranging from students to multiple levels of administrators and faculty both tenured and non tenured this book provides a vivid understanding of how people can experience and straddle class in the middle upper or even elitist class contexts of the academy Through the powerful stories of individuals who hold many different identities and naming a range of ways they identify in terms of race ethnicity gender sexuality age ability and religion among others this book shows how social class identity and classism impact people s experience in higher education and why we should focus more attention on this dimension of identity The book opens by setting the foundation by examining definitions of class discussing its impact on identity and summarizing the literature on class and what it can tell us about the complexities of class identity its fluidity sometimes performative nature and the sense of dissonance it can provoke This book brings social class identity to the forefront of our consciousness conversations and behaviors and compels those in the academy to recognize classism and reimagine higher education to welcome and support those from poor and working class backgrounds Its concluding chapter proposes means for both increasing social class consciousness and social class inclusivity in the academy It is a compelling read for everyone in the academy not least for those from poor or working class backgrounds who will find validation and recognition and draw strength from its vivid stories      **Kelley Blue Book April - June 2009 Used Car Guide** Kelley Blue
