

To: All Toyota Dealer Principals, Service Managers, Parts Managers

Subject: Special Service Campaign (SSC) – 90A
2006 – 2007 Model Year Highlander HV and 2007 Model Year Camry HV Electric Power
Steering Link (EPS) Assembly

Toyota will initiate a Special Service Campaign to replace the Electric Power Steering Link (EPS) Assembly in certain 2006 – 2007 model year Highlander HV and 2007 model year Camry HV's.

In certain 2006 – 2007 model year Highlander HV and 2007 model year Camry HV's, due to insufficient adhesion between the permanent magnets and the rotor of the EPS, the motor may gradually lose torque when the wheel is turned to the complete left or right position. If this condition occurs, customers may experience a noticeable gradual increase in the steering effort necessary at low speeds. This condition may be most perceptible when parking the vehicle.

The following vital information is provided to inform you and your staff of the owner notification phase of the campaign and your degree of involvement.

1. Owner Notification Letter Mailing Date

The owner notification will commence in late January, 2009, approximately one week after the dealer notification.

Please note that only owners of the affected vehicles will be notified. If your dealership is contacted by an owner who has not yet received a notification, please **verify eligibility by confirming through Dealer Daily/TIS prior to performing repairs**. Dealers should perform the repair as outlined in the attached Technical Instructions.

2. Vehicles in Dealer Stock

Dealers are requested to perform SSC procedures on any vehicles in their stock prior to sale or lease. Vehicle SSC completion can be verified through TIS.

3. Dealer/Owner Lists

VIN lists (VIN only due to Privacy Laws) for SSC 90A have been distributed to Service and Parts Managers. These lists are based upon the dealership's Primary Marketing Area (PMA) or selling dealership where applicable. Based upon our records, a dealership which does not have an affected vehicle in their PMA will receive a report indicating so.
