## “The Pit and the Pendulum” – Response and Analysis

The readings you did while reading the story should help you fill out a story map like the one below. Add as many events as you think are necessary.

1. The setting of this story may be its most unforgettable element. List at least six of its horrible details.
  - 
  - 
  - 
  - 
  - 
  -
2. Some critics read Poe's text symbolically, as the story of a man who dies and almost loses his soul in the pit of hell but is saved at the end by God. See if the story works with this symbolic interpretation. Consider the following issues:
  - The man, above all, fears falling into the pit. What could the pit symbolize?
  - What does a pendulum suggest to you, and what does an old man with a scythe represent?
  - What connection might there be between these two symbols and the scythe on the pendulum in Poe's story?
  - Rats are often used as symbols of death and decay. How does the prisoner's response to their rats—especially when they crawl over him—suggest that he might see them in this way?
  - What sounds are usually associated with Judgment Day, at the end of the world? Do you hear those sounds at the story's end?
  - Do you think this symbolic reading makes sense, or is it stretching the meaning of a simple horror story too far? Explain.
3. Stories of imprisonment and torture often explore themes of power and its abuse. What comment do you think Poe may be making about the political, religious, and social situations in the historical period in which this story takes place?
4. Did General Rainsford's arrival seem an exceptionally lucky coincidence to you? If so, did the last-minute rescue lessen the story's credibility or your enjoyment of the story? Explain your opinion.
