Avengers John Steed had a pet dog named Freckles Or that Patty and Cathy Lane of The Patty Duke Show had a distant cousin named Betsy Lane These are but a few of the hundreds of fun and intriguing specifics contained within this volume Shows from all three major networks ABC CBS and NBC as well as select syndicated programs are represented here This is not a book of opinions or essays about specific television programs but a treasure trove of the facts associated with each of these programs From Mister Ed s social security number to the zip code for Hooterville on Green Acres readers will discover a wealth of fascinating information that for the most part cannot be found anywhere else In some cases the factual data detailed herein is the only such documentation that exists Television Series of the 1960s is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert
