The Return Of The Dancing Master:

The Return of the Dancing Master Henning Mankell, 2005-02-08 From the dean of Scandinavian noir comes a riveting mystery set in frozen north of Sweden When retired policeman Herbert Molin is found brutally slaughtered on his remote farm in the northern forests of Sweden police find strange tracks in the snow as if someone had been practicing the tango Stefan Lindman a young police officer recently diagnosed with mouth cancer decides to investigate the murder of his former colleague but is soon enmeshed in a mystifying case with no witnesses and no apparent motives Terrified of the disease that could take his life Lindman becomes more and more reckless as he unearths the chilling links between Molin's death and an underground neo Nazi network that runs further and deeper than he could ever have imagined
