

ABOUT THE BOOK

This book is all about peace education, especially to the young. It is aimed at using non-violent strategies for conflict resolution, including communication dialogue, negotiation /mediation techniques and skills, the art of discussing, debating and arguing one's opinions, active listening, cooperation and peer learning.

ABOUT THE ORGANIZATION

The peace crusaders is a non-profit, non-governmental organization, setup in response to a growing need for peace education, which has become a hiatus in the initiative efforts in Africa, particularly, the challenges facing the peace building program of the Niger delta region of Nigeria.

The focus is peace advocacy, as a tool for transforming the unfavourable culture of violence prevalent in the region. Our target is to reach out to a greater percentage of the youths in Africa, particularly those of the Niger Delta region, with the message of non violence as an alternative to conflict.
