The Revelation A Message Of Hope For The New Millennium:

Apocalypse For A New Millennium Benjamin Williams, 2013-09-04 Here we are in the millennium that wasn't supposed to happen as another generation of end time authors and bible prophecy specialists have proven wrong Again the Book of Revelation has been brought into disrepute Can Christians take back the book and read John's Apocalypse with fresh eyes Dr Williams argues that the prophet John saw in the events of his own day a larger drama playing out the ultimate struggle between God and evil Because human nature never really changes the same great themes speak to every age including our own In all the bad news of today's headlines the Apocalypse unveils the good news that undergirds all human history and drives it forward toward its intended destiny If you find the Book of Revelation only confusing or even frightening this book is for you

False Dawn Lee Penn, 2004 The interfaith movement which began with the 1893 World's Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today's interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI's proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans Kng and from the Dalai Lama to the leaders of government approved Protestant churches in the People's Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In The Reign of Quantity and the Signs of the Times French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non's time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left False Dawn painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly

plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In False Dawn Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org The Translucent Revolution Arjuna Ardagh,2010-10-06 There is a gentle but profound revolution in human consciousness happening throughout the world it has affected millions of people from all walks of life and the numbers continue to multiply exponentially The breakthroughs they have experienced are startlingly similar and are marked by a new sense of well being increased joy in life diminished fear and a natural impulse to serve and contribute to the world in a real way For more than a decade Arjuna Ardagh has studied this worldwide advance in human consciousness marked by what he calls translucents individuals who have undergone a spiritual awakening deeply enough that it has permanently transformed their relationship to themselves and to reality while allowing them to remain involved in ordinary life The Translucent Revolution draws on the author s dialogues with thousands of writers teachers and workshop participants around the world who display characteristics of translucence He blends observation anecdote and research including commentaries from leading pioneers in the field of human consciousness *Consciousness in Action* Andrew Beath,2005 Featuring the thoughts of Julia Butterfly Hill Deena Metzger Joanna Macy John Mack and others this inspiring dialogue between environmental and spiritual activists centers on the seven attributes of consciousness that they have employed in their activism **Putting on the Mind of Christ** Jim Marion,2011-11-01 Jim Marion s book returns us to the central challenge Christianity ought to be handing us Indeed how do we put on the mind of Christ How do we see through his eyes How do we feel through his heart How do we learn to respond to the world with that same wholeness and healing love That s what Christian orthodoxy really is all about It s not about right belief it s about right practice Cynthia Bourgeault author of The Wisdom Jesus What does it mean to follow the path of Christ today Putting on the Mind of Christ is the first book to offer an integral understanding of the Christian spiritual path one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget Carol Milligan and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven the highest level of spiritual development Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his

own spiritual experiences within a Christ focused framework Pioneering transcendent and grounded Putting on the Mind of Christ will permanently alter the landscape of 21st century Christianity **Sins of the Fathers** Denise

Buchanan,2013-11-07 With humble beginnings in Kingston Jamaica Denise Buchanan grew up in the Christian faith with a deep reverence for the Catholic Church This all shattered when at age seventeen she was sexually molested by a priest This molestation resulted in an unwanted pregnancy which was aborted on orders from the Church Carrying the burden of this secret for over thirty years Denise sought out many spiritual traditions and academic pursuits in the hope of finding answers In the book Sins of the Fathers Denise recounts her courageous journey through the guilt shame and betrayal and ultimately delivers a message of hope healing and spiritual awakening To contribute to discussions on rape abortion and God visit www.sinsofthefathers.org **Word of Faith Preachers** Joseph T. . Bachota Jr,2010-06-16 Have you ever wondered about the

correctness of the messages and teachings of preachers behind the pulpits and on TV today Who holds them accountable for explanations and outlines of the truth Who questions them or anything they say With sound biblical exegesis this book challenges you to keep an open mind and determine for yourself what is true or false As an ordained Word of Faith preacher Joe Bachota has firsthand knowledge of the doctrines being preached Word of Faith Preachers isnt meant to be an exhaustive discussion of every doctrinal position taken by the movement Instead it explores a few of the major heresies the Word of Faith churches are teaching with the goal of preventing you from being led astray if you are exposed to them Even though Bachota once believed preached and taught most of these doctrines the Lord has led him in another direction opening his eyes to the heresies contained in some of the Word of Faith doctrine Hopefully this book will lead you in the same way and enable you to come to the same conclusion he did the teachings of many churches today particularly Word of Faith churches are completely out of touch with sound biblical doctrine The God of Sex Peter Jones,2006 A placard carried in the San

Diego Gay Parade said it all He s your God They re your rules You go to Hell Clearly there is no longer any commonly held ultimate authority So merely quoting Bible verses at gays and other sexual sinners to prove they are immoral is equally unsuccessful if not destructive For the sake of our young people for the sake of our churches for the sake of society and our world Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture Jones gives an objective honest appraisal of contemporary sexual trends and puts them up against God s clear and beautiful design for sex as a spiritual expression Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture Nonbelievers will find this book objective and non offensive fairly representing postmodern worldviews Thorough index and bibliography makes this book a powerful resource tool *Spirits, Angels, Demons, and Gods* Don Little,2010-03 **The Shadow King** Sidra Stone, PhD,2012-01-31 Many of

The Left Behind Fantasy William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine
