

This had all gotten so out of hand for Michael

Here he is standing in the store, waiting for his "handlers" to return and take him to wherever they want him to go. Being dressed like this still makes him uncomfortable. The skirt is so short that even one step makes him feel exposed. The chastity cage, so small, is a constant pressure against his cock. The only thing he wears that isn't undersized is the plug in his ass, remotely controlled to electrocute him up to such intensity that he would be nearly incapacitated.

Michael was a promising college freshman, joining a fraternity. Pledging required him to crossdress for a couple days, but his feminine potential was obvious, and they included a chastity cage to his "uniform". Michael thought it was just a way of enforcing celibacy on him to show his devotion but, two weeks later, the urges became intense and he begged for release.

Release was temporarily granted if he wore shorter skirts, grew his hair long, and put on makeup. Weeks became months, and it became evident Michael wasn't to be a member. The boys enjoyed Michael's girly form, and began to blackmail him. If his conservative family found out about his femininity then he would surely lose their financial support. He ended up spending most of the semester as "Madalyn", going to classes as a girl. He went home on breaks wearing male clothes, but hiding panties and his cage underneath, incase he was ordered to send a picture.

Madalyn's second semester saw her becoming more than just a human trophy. He was caught trying to report his torment to the police and as punishment his feminization was increased. Hormones, a strict diet, corsetting, and then sexual favors became mandatory. He was moved out of his dorm into the frat house. His life became hell, but he was very driven to finishing his education, and had hope that the boys would tire of him.

By now, any resistance is punished brutally, and he is often tortured for fun. Rape and electrocution are typical punishments, but last week he accidentally bit down while being facefucked, and so he was shackled and blindfolded in a mens dorm for a weekend of "free use", after this incident he was forced to go to class with ruined makeup, barely clothed, with cum soaking her panties. He doesn't even know who owns his chastity key. Almost daily his body is used sexually, and his masters control everything: his schedule, his sleeping arrangements, and especially his clothing. Today's outfit is rather modest: he is often sent to parties in just lingerie. Madalyn has a reputation as a campus slut, and few know that she is forced into this humiliating existence.

The fraternity has plans for him. One night, the boys forced him to fuck a professor in exchange for good grades, and this is being used to blackmail him. He is now cut off from his family, and the frat is prostituting him to secure funding to keep him in school (taking the majority of the profits for themselves).

Now he's being taken out shopping with a few of the boys. In an aisle alone, he considers fleeing, wondering if he could escape this sex-crazed frat by simply running off on his own.
