**War Impulse Pattern** Wayne A. Moody,2019-11-04 Astrology provides intelligence to forecast and plan our actions in all manner of day to day concerns and I believe that major collective concerns like seasons in the economy and war benefit from the same treatment I am an astrologer who has practiced Mundane astrology the astrology of countries and their leaders for three decades This book has deep roots Purposeful action towards a book began with an interview published February March 2014 in the Dartmouth Alumni Magazine During that interview I pointed to specific Earth geography 35 North latitude 50 East longitude where the U S would face major concerns up through 2022 when events peak for U S foreign interests A look at a map of these map coordinates and knowledge of the recent history of American focus on the region since my Dartmouth interview speaks volumes My project introduces an astrologically derived pattern which I discovered and named a War Impulse Pattern WIP in 2014 This International WIP pattern has eighteen astrologically determined branches some major others minor I unpack the logic of my WIP branches and lay them out in map form Within designated zones of the branches of the WIP I make the case that all the major U S military conflicts from 1776 to 2018 have been fought on geography marked by the WIP Furthermore in addition to accurately forecasting where events will occur the three planets making up the WIP serve as timekeepers for

when U S military forces will deploy I have applied my innovations with Astro Carto Graphy a lens of relocation astrology to banks hurricanes man made disasters national security and war My research journey over the past 4 years has lead me from one surprise to another For example I have discovered that the entire U S Global Positioning Satellite GPS structure a critical component of modern U S warfare was set up within the WIP branches some mere specks of land in the middle of vast oceans This first of three books prepares the WIP Book Two now in the final stages gives chronological compelling examples of U S wars from 1776 to 2018 noting that the battlefields aligned to the WIP and were susceptible to astrological timing My vision for Book Three is an over sized book of annotated and creatively presented maps supporting creative thinking and exercising the reader s spatial intelligence I offer this War Impulse Pattern WIP Primer to Not on the Map book for those seeking a more sophisticated understanding of America at war I offer practical but strategic intelligence not on the map of orthodox views of reality How and why the WIP works is demonstrated Most of the facts of the WIP are grounded in mainstream understanding While I have taken years to prepare these books the need for the WIP intelligence is urgent A look at what s been happening all along 35 North a belt wrapped around the Earth sweeping today s conflict zones in Syria Iraq Iran particularly Tehran near 50 East Kurdistan Afghanistan Pakistan China Korea and Japan reveal that my WIP lens has been brought to a sharp focus to mastery     *The Chaos Apple* Thumper Forge,2025-11-08 Discover the Reality Warping Wizardry of Chaos Magic Join Thumper Forge a Chaos Witch extraordinaire and Gardnerian Wiccan on the wildest magical ride this side of the multiverse He serves as your witty tour guide through the topsy turvy realms of Chaos Witchcraft and Discordianism where you can dance with Eris the cosmic trickster herself Learn to bend belief like a spoon craft sigils that make the universe giggle and summon parking spots with the grace of a sorcerer With a wink and a cackle Forge teaches you to embrace the absurd harness the power of paradigm parkour and discover why sometimes the most powerful magic comes with a side of laughter     **10-Minute Magic Spells** Skye Alexander,2019-05-14 Looking to enchant your love interest Seeking good fortune Want to shape your destiny 10 Minute Magic Spells will show you how tap into your inner power Designed for the novice spellcaster these simple spells and practices can be performed in minutes and don t require expensive hard to find ingredients With just a little guidance you can perform a range of spells Use quartz crystals to protect your home Make a love charm to attract a lover Burn a candle to bring good health Charge water with moonlight to bring good luck And more Some magic is basic and practical such as finding a treasured item you ve lost some is performed as part of an ongoing practice of self care Learn to put magic to use for you in just 10 minutes     *The Venus Eclipse of the Sun 2012* David Tresemer,2011-12 On the one hand New Testament scholarship has been preoccupied with a search for the historical Jesus On the other twists and turns occurring after the first century brought about an enforced orthodoxy that views modern visionaries as heretics The inconclusive nature of theology pits those who are reluctant to support the miraculous against the witness of the original oral tradition One result of the confusion over the New Testament record is that contemporary fiction

such as The Da Vinci Code has emerged to fill the void It has been so popular because there is hunger for a better understanding of those events The author of this book aims to fill the gap Drawing on the visionary reports of Anne Catherine Emmerich 1774 1824 and Judith von Halle b 1973 as well as the spiritual research of Rudolf Steiner and Robert Powell Charles Tidball traces the events of two thousand years ago in Palistine including scenes in the life of John the Baptizer Jesus forty days in the wilderness healings the Transfiguration the raising of Lazarus the Passion Resurrection and Ascension of Christ and much more The author s purpose is to present these relatively unknown facets of the life of Jesus Christ as stories so they can achieve the broader recognition they deserve The result is that this book breathes new life and meaning into familiar stories offering the reader a fresh beginning in understanding the profound wisdom contained in the New Testament
