Congress. House. Committee on Energy and Commerce. Subcommittee on Oversight and Investigations, 2012 Toyota's Recalls and the Government's Response United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 2011 Case Studies in Organizational Communication: Ethical Perspectives and Practices Steve May, 2012-01-20 This updated edition integrates ethical theory and practice to help strengthen readers awareness judgment and action in organizations by exploring ethical dilemmas in a diverse range of well known business cases This volume explores a range of complex issues in today's organizations addresses ethical concerns and investigates the fundamentals that enable organizations to be simultaneously productive and ethical Compiled with a variety of important examples of organizational communication ethics of today case studies include the discussion of ethical dilemmas faced by Walmart Toyota Enron Mitsubishi BP Arthur Andersen Google college athletics and the pharmaceutical industry among others Through these case studies students are able to directly assess ethical and unethical decision making in a rich diverse and complex manner that moves beyond simple explanations of ethics This book is an invaluable resource for students and those interested in organizational communication ethics **California. Court of Appeal (2nd Appellate District). Records and Briefs** California (State)., **Case Studies In Japanese Management** Parissa Haghirian, Philippe Gagnon, 2011-09-30 This book provides a new opportunity for corporate strategy analysis within a Japanese context It is the first academic textbook to be published in English which regroups case studies to emphasize key concepts in Japanese management Where previous literature has set a separate focus on cultural managerial and strategic variables a holistic look is now taken at their influence on effective decision making Over 11 detailed cases depict issues in entering the Japanese market strategic issues when managing in Japan marketing management crisis management cross cultural encounters and future technologies The sophistication and depth of these studies along with their teaching notes provide the basis for pragmatic analysis The mysticism surrounding Japanese culture seems magnified by the success of Japanese companies abroad and the shortcomings of many MNEs that entered Japan ineffectively Studying the empirical implications of these issues is a helpful exercise to develop more acute management reflexes in a Japanese setting The book's carefully laid out cases will benefit

business and humanities students who are researching Japan as well as professionals who work within this sphere

Strategy, Structure, and Performance of MNCs in China Yadong Luo, 2000-11-30 China is the largest emerging market in the world yet Western MNCs have invested significantly less there than their Asian MNC counterparts Luo systematically compares Western and Asian investment strategies and their performance in China and draws lessons that Westerners must heed He compares Western and Asian MNCs on their respective economic rationales cultural proximity strategy behavior investment structure business determinants and performance differences He also reviews foreign direct investment in China over two decades outlines the economic environment facing MNCs today delineates new policies that affect foreign investment and operations and discusses China's entry into the World Trade Organization and the impact this will have on MNCs everywhere The result is a needed contribution to the literature on international investment and the China market particularly for upper level executives analysts studying emerging markets and scholars specializing in international business and expansion In Part I Luo reviews the experience of MNCs in China and the opportunities and challenges today and in coming years In Part II he looks at the strategy structure and performances of Western and Asian MNCs He assesses and compares strategic and structural behaviors of these two groups of MNCs then deciphers and compares the differences in distinctive capabilities and their performance implications In other chapters he examines and compares financial performance and its business determinants thus giving executives of Western MNCs a way to verify the effectiveness of their own investment and operating strategies and to reconfigure them if necessary to include environmental dynamics and organizational capabilities In addition to mini cases throughout the book there is an appendix consisting of six major case studies detailing the experiences and successes of six Asian MNCs in China offering a seldom seen glimpse of how the West's Asian competitors accomplish their own goals and why the challenges they present to the West are so formidable
