**[Introducing special events  
and offers]**

Suntan tours offers a variety of special discounts depending on your travel plans. We have golf packages, as well as guided whale boat tours, and fishing charters. There will be a short information session at 1pm in the lobby of the hotel tomorrow where you can learn all about these offers. We recommend that you do not purchase packages from street vendors as they are not always 100 percent reliable. They also may charge you more than what they say. Please take my advice and allow Suntan tours to book all of your day trips and activities while you are here.

*The Tour Guide* Jonathan R. Wynn, 2011-07-05. Everyone wants to visit New York at least once. The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs. The only problem is figuring out where to start and that's where the city's tour guides come in. These guides are a vital part of New York's raucous sidewalk culture and as *The Tour Guide* reveals, the tours they offer are as fascinatingly diverse and eccentric as the city itself. Visitors can take tours that cover Manhattan before the arrival of European settlers, the nineteenth-century Irish gangs of Five Points, the culinary traditions of Queens, the culture of Harlem, or even the surveillance cameras of Chelsea. In short, there are tours to satisfy anyone's curiosity about the city's past or present. And the guides are as intriguing as the subjects we learn about. As Jonathan R. Wynn explores the lives of the people behind the tours, introducing us to office workers looking for a diversion from their desk jobs, unemployed actors honing their vocal skills, and struggling retirees searching for a second calling. Matching years of research with his own experiences as a guide, Wynn also lays bare the grueling process of acquiring an official license and offers a how-to guide to designing and leading a tour. Touching on the long history of tour giving across the globe as well as the ups and downs of New York's tour guide industry in the wake of 9/11, *The Tour Guide* is as informative and insightful as the chatty, charming and colorful characters at its heart.
