participating faculties are developing a curriculum for the teaching of an undergraduate course on disability rights at law schools in the region. Academic work on and awareness about disability rights is stimulated in particular through the publication of this Yearbook, an academic conference and a first Southern African Disability Rights Moot Court Competition. This Yearbook is the accomplishment of many. It has been a project long in planning and preparation and time consuming in execution. The publication is the endproduct of collaborations between the Centre and numerous partners in particular UWC. A very sincere and profound word of thanks goes to the following: The four editors, the convening editor Prof Charles Ngwenya who joined the Centre for Human Rights last year, he worked with Dr Ilze Grobbelaar, Du Plessis, UP Prof Helene Combrinck, UWC and Dr Serges Djouyou Kamga, UNISA as co editors. It is only their dedication and devotion that has made this publication possible. Prof Ngwenya was not only the convening editor but also the editor in charge of Part A. He bore the brunt of the responsibility to keep the project going and to inspire and lead all involved towards the ever approaching deadline. Drs Grobbelaar, Du Plessis and Serges Djouyou Kamga took responsibility for Part B and Prof Combrinck for Part C. They each sacrificed enormously in terms of time and energy in order to get to this end product. Thanks to all contributors and all reviewers of contributions for dedicating themselves to this thankless task. Kate Painting acted as a most appreciated editorial assistant. She meticulously followed up references, guaranteed consistency in style and ensured felicitous language use. At the Centre, Thuto Moratua, Hlalele Yolanda Booyzen and Kevashinee Pillay also provided logistical and other support. The Yearbook is published by Pretoria University Law Press (PULP) based at the Faculty of Law, University of Pretoria. The patient and professional contribution of Lizette Hermann is much appreciated. We also thank the members of the advisory board who agreed to assist with the policy direction, review of manuscripts and lending credibility and lustre to this Yearbook by associating themselves with this endeavour. The Yearbook is very fortunate to have representation from all corners of the globe, including individuals and institutions at the leading edge of disability rights research, training and teaching. Lastly, to the Open Society Foundation and specifically OSISA and its staff. Many thanks in particular to Louise Olivier for her confidence, inspiration and consistent support which took the Centre and me personally along an exciting and challenging new road, and to Louise Ehlers and Patricia Mwanjisa who came on board later. Other Open Society staff also inspired and played important roles along the way. In line with the right of access to information and knowledge, this Yearbook is accessible freely as a free full downloadable document on the Centre's website www.chr.up.ac.za. On behalf of all those involved and of the Centre, I wish to express the hope that this Yearbook will soon come to be regarded as an indispensable tool to understand and chart legislative and policy developments on disability rights in Africa and that it will contribute to bridge the gap between the discourse of rights and its practical application and actual realisation.
