**The Light-years Beneath My Feet** Alan Dean Foster,2005-06-28 Foster is in top form here entertainingly mixing politics comedy and intriguing alien anthropology Booklist Abducted by aliens to be sold as pets in a more civilized part of the galaxy earthlings Marcus Walker and a scruffy dog named George speech enhanced to increase his market value have managed to escape their captors Walker loves being humankind s first galactic traveler until he remembers he hasn t a clue where home is or how to get there So the erstwhile commodities broker becomes a chef whipping up delicacies for demanding alien palates Of course he never imagined that the way back to Chicago would involve swapping his easy living adopted planet for an all out age old war many parsecs away But hey it s all for a good cause he has George and their two fellow escapees for company and what else is there to do besides avoid nasty aliens Plenty as it turns out An enjoyable read Foster s writing is smooth and his characters engaging SFReader Sometimes humorous sometimes serious and always entertaining Library Journal     *Quofum* Alan Dean Foster,2008-10-28 Bestselling author Alan Dean Foster s new adventure takes place in the amazing Humanx Commonwealth home of the ever popular Pip Flinx Although the dynamic redhead and his daring minidrag do not appear in *Quofum* this knockout thriller sets the stage for their explosive date with destiny in the duo s final climactic adventure *Flinx Transcendent* The mission to planet *Quofum* is supposed to be a quickie for Captain Boylan and his crew Boylan is tasked with delivering four scientists two men one woman and one thranx to the unknown world setting up camp while the experts investigate flora and fauna then ferrying them safely home The first surprise is that *Quofum* which regularly slips in and out of existence on Commonwealth monitors is actually there when Boylan and company arrive The second surprise is more about what *Quofum* is not The planet is not logical ordered or rational The team encounters three intelligent warring species some carbon based others silicate based all bizarre along with thousands of unique often unclassifiable life forms *Quofum* s wild biodiversity doesn t appear to be natural But if it is by design then by whose and for what purpose There are more revelations more highly evolved species waiting to be identified even tantalizing clues to a civilization light years ahead of the Commonwealth s But the crew members are not ready for the real shockers because none of them expect to find a killer in their midst or to discover that their spaceship is missing and with it all means of communication Of course the marooned teammates know nothing about the Great Evil racing toward the galaxy and they certainly have never heard of Flinx the only person with half a chance to stop it Nor do they know that *Quofum* could play a crucial role in defeating the all devouring monster from beyond One thing the scientists do know however is how to ferret out

the truth But whether that will be enough to alter the course of the oncoming catastrophe is anyone's guess *Patrimony* Alan Dean Foster, 2007-10-30 In this Pip Flinx thriller Alan Dean Foster displays the brilliance that has made him one of the brightest lights in science fiction In *Patrimony* fans will learn more about their favorite redhead with emerald eyes uncanny powers and a poisonous minidrag than they ever dreamed possible I know who your father is Gestalt A shocked Flinx hears these dying words from one of the renegade eugenicists whose experiments with humans twenty odd years ago shocked the galaxy and spawned Flinx So Flinx and his minidrag Pip venture to Gestalt an out of the way planet perfect for someone who never wants to be found disregarding the advice of those who think Flinx could make better use of his time locating the ancient sentient weapons platform that could be the galaxy's only chance of stopping the exterminating scourge that's fast approaching Flinx might agree with them but the quest for patrimony wins out Sorry galaxy Could Gestalt supply the key to Flinx's shadowy past and strange powers An eccentric loner in a remote area could be the father Flinx has never stopped searching for perhaps the only person who can unravel the mystery of his birth and his amazing agonizing powers Unfortunately for Flinx Gestalt also hosts a resident bounty hunter who's just learned about the stupendous reward offered for a certain dead redhead Flinx gets a chance to test his adversary's skills when our hero's skimmer is blasted out of the sky and into a raging river in the middle of nowhere a nowhere of impassable terrain and ravenous carnivorous beasts But hey what's one more impossible challenge for someone who's spent his life defying the odds and escaping the inescapable Flinx has one thing going for him plenty of experience **Diuturnity's Dawn** Alan Dean Foster, 2002-03-26 In nearly two dozen novels about the Humanx Commonwealth Alan Dean Foster has fascinated readers with his brilliantly imagined interstellar realm where humans thranx AAnn and other species strive to work together to put the common good above selfish ends But renewed efforts at cooperation prove that familiarity breeds contempt *Diuturnity's Dawn* is the third thrilling novel in *The Founding of the Commonwealth* a spectacular space adventure that traces the perilous early years of this remarkable universe From the beginning while sharing the Orion Arm of the galaxy contact between humankind and the thranx has been tenuous at best Yet nearly a century after first contact the likelihood of closer human thranx relations is as far away as ever Humans still find these insectlike beings physically repulsive a distaste the thranx return in kind At times the cordial veneer barely conceals the suspicion and distrust boiling just below the surface Yet idealists on both sides refuse to surrender their dreams of achieving a thranx human alliance Among the most dedicated are a minor diplomat named Fanielle Anjou and her thranx counterpart Others intend to make sure such a liaison never comes to pass by any means necessary For these xenophobes the upcoming Humanx Inter Cultural Fair the first wholly cross species event is a hideous confirmation of their worst fears Zealots on both sides vow it will be the last of its kind no matter how many must die In the coming conflagration Fanielle holds the key to triumph but only if she can outwit those desperate to silence her forever Meanwhile on a faraway planet the duplicitous AAnn watch intently as archaeologists labor to discover what happened to an advanced human race

that perished thousands of years ago For the answers contain grave consequences for human thranx and AAnn alike

**The Tar-aiym Krang** Alan Dean Foster,2002-03-05 With two great golden clouds suspended around it Moth was the only planet that appeared to have wings It was a beautiful planet and a trap for the unwary Here was a wide open world for any venture a man might scheme The planet attracted unwary travelers hardened space sailors and merchant buccaneers a teeming constantly shifting horde that provided a comfortable income for certain quick witted fellows like Flinx and his pet mini dragon Pip With his odd talents the pickings were easy enough so that Flinx did not have to be dishonest most of the time In fact it hardly seemed dishonest at all to steal a starmap from a dead body that didn't really need it anymore But Flinx forgot one crucial point He should have wondered why the body was dead in the first place *Mid-Flinx* Alan Dean Foster,2002-03-05 Pip and Flinx meet Midworld Where Flinx and his flying minidrag Pip went trouble always followed that law had governed their lives through years of unsought danger and galactic intrigue Now an evil rich man was out to kidnap the minidrag for his personal zoo and Flinx and Pip were on the run again this time into uncharted space on a random course they hoped would foil their pursuers They found more than they bargained for when they landed on Midworld a verdant planet covered by an immense jungle hosting an incredible variety of plant and animal life all of it unknown and all of it deadly And now they were in real trouble Their hiding place was in danger of discovery and their only hope lay with this bizarre and untamed planet if it didn't kill them first The End of the Matter Alan Dean Foster,2002-03-26 Accompanied by his faithful minidrag Pip and a most troublesome alien called Abalamahalamatandra Ab for short Flinx set out for Alaspin the ruggedly primitive homeworld of his flying snake There he hoped to find the giant man with the gold earring who somehow held the key to Flinx's mysterious past and to the strange powers he possessed Chasing down his heritage was trouble enough but Flinx didn't know what real trouble was until he realized that the Qwarm a deadly assassin squad were three steps behind him with a contract to kill But the minidrag's homeworld did not offer safety and Flinx had a terrible time just staying alive a matter complicated to no mean degree by a collapsar already set on an unstoppable death course across the galaxy
