Literature, Speech Disorders, and Disability Christopher Eagle, 2013-10-08 Examining representations of speech disorders in works of literature this first collection of its kind founds a new multidisciplinary subfield related but not limited to the emerging fields of disability studies and medical humanities The scope is wide ranging both in terms of national literatures and historical periods considered engaging with theoretical discussions in poststructuralism disability studies cultural studies new historicism gender studies sociolinguistics trauma studies and medical humanities The book's main focus is on the development of an awareness of speech pathology in the literary imaginary from the late eighteenth century to the present studying the novel drama epic poetry lyric poetry autobiography and autopathography and clinical case studies and guidebooks on speech therapy The volume addresses a growing interest both in popular culture and the humanities regarding the portrayal of conditions such as stuttering aphasia and mutism along with the status of the self in relation to those conditions Since speech pathologies are neither illnesses nor outwardly physical disabilities critical studies of their representation have tended to occupy a liminal position in relation to other discourses such as literary and cultural theory and even disability studies One of the primary aims of this collection is to address this marginalization and to position a cultural criticism of speech pathology within literary studies

Exploring Star Trek: Voyager Robert L. Lively, 2020-03-19 In 1995 *Star Trek Voyager* brought a new dynamic to *Star Trek*'s familiar starship oriented show Lost 70 000 light years in space *Voyager* and its crew faced an uncertain and changeable future echoing anxieties felt in the United States at the time These fifteen essays explore the

context characters and themes of Star Trek Voyager as they relate to the culture and zeitgeist of the 1990s Essays on gender show how the series both challenges and reinforces typical SF stereotypes through the characters of Captain Janeway Kes and Seven of Nine while essays on identity examine the show's intersections with disability studies race and multiracial identities family dynamics and emerging AI and humanity Using the epic journey of Homer's Odyssey as a starting point for the series and ending with an examination of the impacts of inception at the birth of the internet age this book shows the many ways in which Voyager negotiated different perspectives for what the future of the galaxy and the USA could be

Set Phasers to Teach! Stefan Rabitsch, Martin Gabriel, Wilfried Elmenreich, John N.A.
