Worlds Apart: Modernity Through the Prism of the Local Daniel Miller, 2003-12-16 Worlds Apart is concerned with one of the new futures of anthropology namely the advances in technologies which create an imagination of new global and local forms It also analyses studies of the consumption of these forms and attempts to go beyond the assumptions that consumption either localises or fails to effect global forms and images Several of the chapters are written by anthropologists who have specialised in material culture studies and who examine the new forms especially television and mass commodities as well as some new uses of older forms such as the body The book also considers the ways in which people are increasingly not the primary creators of these images but have become secondary consumers

[The Survival of Soap Opera](#) Sam Ford, Abigail De Kosnik, C. Lee Harrington, 2010-11-03 The soap opera one of U S television s longest running and most influential formats is on the brink Declining ratings have been attributed to an increasing number of women working outside the home and to an intensifying competition for viewers attention from cable and the Internet Yet soaps influence has expanded with serial narratives becoming commonplace on most prime time TV programs The Survival of Soap Opera investigates the causes of their dwindling popularity describes their impact on TV and new media culture and gleans lessons from their complex history for twenty first century media industries The book contains contributions from established soap scholars such as Robert C Allen Louise Spence Nancy Baym and Horace Newcomb along with essays and interviews by emerging scholars fans and Web site moderators and soap opera producers writers and actors from ABC s General Hospital CBS s The Young and the Restless and The Bold and the Beautiful and other shows This diverse group of voices seeks to intervene in the discussion about the fate of soap operas at a critical juncture and speaks to longtime soap viewers television studies scholars and media professionals alike

Nobody Is Ever Missing Catherine Lacey, 2025-09-23 In the spirit of Haruki Murakami and Amelia Gray Catherine Lacey's *Nobody Is Ever Missing* is full of mordant humor and uncanny insights as Elyria waffles between obsession and numbness in the face of love loss danger and self knowledge Without telling her family Elyria takes a one way flight to New Zealand abruptly leaving her stable but unfulfilling life in Manhattan As her husband scrambles to figure out what happened to her Elyria hurtles into the unknown testing fate by hitchhiking tacitly being swept into the lives of strangers and sleeping in fields forests and public parks Her risky and often surreal encounters with the people and wildlife of New Zealand propel Elyria deeper into her deteriorating mind Haunted by her sister's death and consumed by an inner violence her growing rage remains so expertly concealed that those who meet her sense nothing unwell This discord between her inner and outer reality leads her to another obsession If her truest self is invisible and unknowable to others is she even alive The risks Elyria takes on her journey are paralleled by the risks Catherine Lacey takes on the page In urgent spiraling prose she whittles away at the rage within Elyria and exposes the very real very knowable anxiety of the human condition And yet somehow Lacey manages to poke fun at her unrelenting self consciousness her high stakes search for the dark heart of the self

Bedlam Burning Geoff Nicholson,2003-12-30 The acclaimed author of *Bleeding London* spins a yarn of academia lunacy and the blurry lines between them in this Whitbread Prize finalist novel It all starts at Cambridge University where Dr John Bentley throws his book burning parties a little active symbolic literary criticism in which guests are invited to state their grudges against their least favorite books and then toss them into a fire It is at one such party that the brilliant but sheepish Gregory Collins meets Mike Smith a handsome classmate They become fast friends And then their friendship takes a decidedly strange turn When Gregory s first novel *The Wax Man* is published he convinces Mike to take his place on the book jacket Now Mike is the one invited to be a writer in residence at an insane asylum run by Dr Eric Kincaid whose obscure therapeutic philosophy centers on the soothing powers of literature When Mike compiles a book of the inmates writings and it becomes a literary success this comedy of errors threatens to take another far darker turn Completely addictive and very very funny Great Jonathan Lethem author of *A Gambler s Anatomy* Donald Westlake meets Ken Kesey in this compulsively good read Library Journal

One Island, Many Voices Eduardo del Rio,2008-10 Cuban American writers have been studied primarily within the context of Latino literature as a whole Seeing a need to distinguish and define this unique literary perspective Eduardo del Rio selected twelve important well known authors and conducted interviews He chose writers who were born in Cuba but have lived in the United States for a significant amount of time and whose works include themes he considers elemental to Cuban American literature identity duality memory and exile But rather than a cohesive homogeneous group these conversations unveiled a kaleidoscope of individuality style and motive The authors bonds to Cuba inform their creative work in vastly different ways and attempts to categorize their similarities only highlight the range of character and experience within this assemblage of talented writers From playwright Dolores Prida to author and literary critic Gustavo P rez Firmat these voices run the gamut of both genre and personality In addition to the essential facts of literary accomplishment the interviews include a wealth of insight into each writer s history motivations concerns and relationship to language These personal details serve to humanize and illuminate the unique circumstances and realities that have shaped both the authors and their work What del Rio has ultimately brought together is a series of intimate sketches that will not only serve as an important reference for any discussion of the literature but will also help readers to develop for themselves a sense of what Cuban American writing is and what it is not CONTENTS Preface Acknowledgments Introduction Nilo Cruz Roberto Fern ndez Cristina Garc a Carolina Hospital Eduardo Machado Dionisio Mart nez Pablo Medina Achy Obejas Ricardo Pau Llosa Gustavo P rez Firmat Dolores Prida Virgil Su rez Epilogue Notes Bibliography Index

Existentialism and Contemporary Cinema Jean-Pierre Boulé,Enda McCaffrey,2011-10-01 At the heart of this volume is the assertion that Sartrean existentialism most prominent in the 1940s particularly in France is still relevant as a way of interpreting the world today Film by reflecting philosophical concerns in the actions and choices of characters continues and

extends a tradition in which art exemplifies the understanding of existentialist philosophy In a scholarly yet accessible style the contributors exploit the rich interplay between Sartre's philosophy plays and novels and a number of contemporary films including *No Country for Old Men* *Lost in Translation* and *The Truman Show* with film makers including the Dardenne brothers Michael Haneke and Mike Leigh This volume will be of interest to students who are coming to Sartre's work for the first time and to those who would like to read films within an existentialist perspective
