Postures of the Mind Annette Baier, 1985 *Postures of the Mind* was first published in 1985 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Annette Baier develops in these essays a posture in philosophy of mind and in ethics that grows out of her reading of Hume and the later Wittgenstein and that challenges several Kantian or analytic articles of faith She questions the assumption that intellect has authority over all human feelings and traditions that to recognize order we must recognize universal laws descriptive or prescriptive that the essential mental activity is representing and that mental acts can be analyzed into discrete basic elements combined according to storable rules of synthesis In the first group of essays *Varieties of Mental Postures* Baier evaluates the positions taken by philosophers ranging from Descartes to Dennett and Davidson Among her topics are remembering intending realizing caring representing changing one's mind justifying one's actions and feelings and having conflicting reasons for them The second group of essays *Varieties of Moral Postures* explores the sort of morality we get when all of these capacities become reflective and self-corrective Some deal with particular moral issues our treatment of animals our policies regarding risk to human life our contractual obligations others with more general questions on the role of moral philosophers and the place of moral theory These essays respond to the theories of Hobbes Kant Rawls and MacIntyre but Baier's most positive reaction is to David Hume *Postures of the Mind* affirms and cultivates his version of a moral reflection that employs feeling and tradition as well as reason *Prima, Media, & Ultima: The First, Middle, & Last Things, In Three Treatises: Wherein is Set Forth, I. The Doctrine of Regeneration, Or the New Birth. II. The Practice of Sanctification, in the Means, Duties, Ordinances, Both Private and Public, for Continuance and Increase of a Godly Life. III. Macdonald, Ferdinand Hand, 1817 **Day by Day with Charles Swindoll** Charles R. Swindoll, 2005-07-17 A steaming cup of coffee a heart warming story a poignant time of meditation and prayer in your favorite place of solitude A few quiet moments alone with God what a great way to begin or end your day Now Charles Swindoll the master communicator whose compelling stories and eye opening insights have helped millions of people find and build meaningful relationships with God brings you this moving collection of 365 daily devotionals Based on the Bible and his best selling classic *The Finishing Touch* this new book provides just what you need to open your heart to the Lord's love and leading every day Your soul strengthening journey through this volume can begin at any time during the year And you will be drawn ever nearer to the heart of God through these brief encounters with Him as you study and worship **Day by Day with Charles Swindoll The Cautious**

Jealous Virtue Annette C. Baier,2010-04-01 Like David Hume whose work on justice she engages here Annette C Baier is a consummate essayist her spirited witty prose captures nuances and telling examples in order to elucidate important philosophical ideas Baier is also one of Hume s most sensitive and insightful readers In *The Cautious Jealous Virtue* she deepens our understanding of Hume by examining what he meant by justice In Baier s account Hume always understood justice to be closely linked to self interest hence his description of it in *An Enquiry Concerning the Principles of Morals* as the cautious jealous virtue but his understanding of the virtue expanded over time as evidenced by later works including his *History of England* Along with justice Baier investigates the role of the natural virtue of equity which Hume always understood to constrain justice in Hume s thought arguing that Hume s view of equity can serve to balance his account of the artificial virtue of justice *The Cautious Jealous Virtue* is an illuminating meditation that will interest not only Hume scholars but also those interested in the issues of justice and in ethics more generally

The gift of narrative in medieval England Nicholas Perkins,2021-02-23 This invigorating study places medieval romance narrative in dialogue with theories and practices of gift and exchange opening new approaches to questions of storytelling agency gender and materiality in some of the most engaging literature from the Middle Ages It argues that the dynamics of the gift are powerfully at work in romances through exchanges of objects and people repeated patterns of love loyalty and revenge promises made or broken and the complex effects that time works on such objects exchanges and promises Ranging from the twelfth century to the fifteenth and including close discussions of poetry by Chaucer the Gawain Poet and romances in the Auchinleck Manuscript this book will prompt new ideas and debate amongst students and scholars of medieval literature as well as anyone curious about the pleasures that romance narratives bring
