Imagining Judeo-Christian America K. Healan Gaston, 2019-11-13 Judeo Christian is a remarkably easy term to look right

through Judaism and Christianity obviously share tenets texts and beliefs that have strongly influenced American democracy In this ambitious book however K Healan Gaston challenges the myth of a monolithic Judeo Christian America She demonstrates that the idea is not only a recent and deliberate construct but also a potentially dangerous one From the time of its widespread adoption in the 1930s the ostensible inclusiveness of Judeo Christian terminology concealed efforts to promote particular conceptions of religion secularism and politics Gaston also shows that this new language originally rooted in arguments over the nature of democracy that intensified in the early Cold War years later became a marker in the culture wars that continue today She argues that the debate on what constituted Judeo Christian and American identity has shaped the country s religious and political culture much more extensively than previously recognized *The American Political System (Full Edition Election Update (with policy chapters))* Ken Kollman,2012-12-20 Empirical puzzles get students thinking like political scientists The American Political System focuses on the core insights of political science that students need to understand American government Each chapter is organized around the real world puzzles that draw scholars and students alike to study American politics A clear consistent framework based on the key role of institutions helps students think analytically about these and other puzzles *Women in the American Political System* Dianne G.
