Telecommunication Journal, 1993 **Environmental Management in the Soviet Union** Philip R. Pryde, 1991-07-26

In this study of Soviet environmental problems and their management the author examines the pervasive nature of biosphere disruption and environmental contaminants in the country He discusses the extent to which they are damaging the Soviet populace and the resource base upon which it depends *Megacity Slums* Marie-Caroline Saglio-Yatzimirsky, 2013

This book looks at slums and social exclusion in the four major megacities of India and Brazil and analyzes the interrelationships between urban policies and housing and environmental issues The challenges posed in Delhi Mumbai Rio de Janeiro and Sao Paulo have spurred public reformers into action through housing rehabilitation and conservation programs Civil society and the inhabitants of these cities have also begun to get involved On the other hand one must wonder whether these challenges were partly created by the deficiencies of these very reformers and civil society be it their lack of intervention as advocates of government intervention would argue or the flaws and inadequacies of their actions as supporters of the free market would suggest Are policies alleviating or aggravating social exclusion This book explores these questions and more
