Rostow,Robert D. Davis,2014-03-18 While some books about police psychology contain a chapter on the fitness for duty question this is the first comprehensive publication focused exclusively on psychological fitness for duty evaluations FFDEs for law enforcement personnel This handbook is ideal for professionals and for coursework designed to prepare individuals for careers as police or municipal officials psychologists students behavioral science specialists human rights advocates and attorneys A helpful glossary makes the book even more useful for

students and those who do not have extensive academic or formal training in psychology or public administration A Handbook for Psychological Fitness for Duty Evaluations in Law Enforcement describes in detail the mechanics of setting up a fitness for duty methodology and examines the effectiveness of FFDEs in law enforcement You ll find clear instructions for developing a FFDE system from the law enforcement executive s viewpoint valuable for attorneys police psychologists and civil service board members as well and an extensive bibliography with particular emphasis on laws and cases that provide guidance to psychological and law enforcement professionals Several appendices provide examples of documentation that can be used in the evaluation process This book brings you reliable information on legal precedents with a review of legal cases in language appropriate for law enforcement executives and psychologists the interaction between police culture psychological assessment and therapy federal laws that impact FFDEs including the HIPAA the Americans with Disabilities Act the Family Medical Leave Act and the Fair Credit Reporting Act case law and FFDEs with emphasis on civil rights laws labor issues professional ethical dilemmas and the psychologist as a potential expert witness the proper uses and the misuses of the FFDE approach police departmental civil liability and the role that the FFDE plays in addressing legal risks In addition this book contains a succinct review of psychological testing psychometrics and the technicalities of employing a professional psychologist to determine the fitness of commissioned officers A Handbook for Psychological Fitness for Duty Evaluations in Law Enforcement proposes a model law that could be used to improve the utility and effectiveness of FFDEs and presents a forward looking discussion of FFDE issues that may become controversial in the near future

Police Selection and Career Assessment Marvin D. Dunnette,Stephan J. Motowidlo,1976 This report details the research activities and validation efforts undertaken in the development of the two personnel evaluation inventories designed during this project and outlines the instruments operational uses The major objective of this research program was to develop new methods for evaluating persons who apply for positions in police work and for assessing the potential of present police officers being considered for promotion In order to accomplish this critical features of four different police jobs were determined These jobs were general patrol officer investigator detective patrol sergeant and intermediate command The means by which these critical features and other information such as job performance ratings were utilized to develop and validate two personnel evaluation instruments are described in detail The first evaluation instrument developed which came to be called the police career index consists of a brief easily administered and objectively scored inventory to be used in preliminary screening of applicants and candidates for police jobs The second procedure the regional assessment center consists of a series of police job simulation exercises designed to elicit behavioral indicators of a person s potential for success in various aspects of police work Procedures for utilizing these instruments are outlined Appendixes to this report include job performance description booklets for the four police positions and tables showing reliability estimates for job performance ratings Police Officer Exam Book Tpb Publishing,2020-11-04 Test Prep Books Police Officer Exam Book Police Exam Study Guide and Practice Test

Law Enforcement in the United States James A. Conser, Rebecca Paynich, Terry Gingerich, 2011-10-18 Law Enforcement Policing Security Tests Richard C. Sweetland, 1991 Revises the information in the second edition and presents over 700 new or revised tests The Psychology section contains 20 subsections Education has 54 subsections and Business has 13 subsections Does not contain reliability validity and normative data Use the complementary Test Critiques series for this information

Police Psychology Into the

21st Century Martin I. Kurke, Ellen M. Scrivner, 2013-04-15 As we approach the 21st century there is a discernable shift in policing from an incident driven perspective to a proactive problem solving stance often described as community policing In this volume a panel of 21 psychologists examine the changing directions in policing and how such changes impact on psychological service delivery and operational support to law enforcement agencies The book describes existing and emerging means of providing psychological support to the law enforcement community in response to police needs to accommodate new technology community oriented problem solving technology crime prevention and sensitivity to community social changes Senior psychologists who are sworn officers federal agents and civilian employees of federal state and local law enforcement agencies comprise the team of chapter authors Their perspectives encompass their collective experience in the trenches and in law enforcement management and administrative support roles They discuss traditional applications of psychology to police selection training and promotion processes and in trauma stress management and evaluation of fitness for duty Concerns related to police diversity and police family issues are also addressed as are unique aspects of police stress management Additional chapters are dedicated to establishing psychological service functions that currently are less familiar to police agencies than they are to other government and private sector service recipients These chapters are devoted to police psychologists as human resource professionals as human factors experts in accommodating to new technology and to new legal requirements as organizational behavioral experts and as strategic planners This text is recommended reading for two groups police and public safety administrators whose work takes them or should take them into contact with police psychologists practicing and would be police psychologists concerned with the emerging trends in the application of psychology to police and other public safety programs **Tests in Print V** Linda L. Murphy, James C.
