The Complete Book of Colleges, 2013 Edition Princeton Review,2012-08-07 Profiles every four year college in the

United States providing detailed information on academic programs admissions requirements financial aid services housing athletics contact names and campus life Schoolhouse Shams Peter Downs,2013 Written by a parent and school board member who first embraced many of the ideas of the modern school reform movement Schoolhouse Shams lays bare much of the mythology and misinformation that underpin many of the failed school reform policies of the last decade Many of the top strategies of the highly publicized school reform movement already have been tried out in St Louis with disastrous results Along with demonstrating the failure of school reform prescriptions to improve education the experience of St Louis demonstrates that the ideological premise of the reform movement that a focus on providing opportunities for private profit taking will necessarily improve schools is both wrong and conflicts with the ideals of democracy accountability and justice
