Handbook of Response to Intervention and Multi-Tiered Systems of Support Paige C. Pullen, Michael J.

Kennedy, 2018-10-04 Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention

Language in Society in Bangladesh and Beyond Shaila Sultana, Mian Md. Naushaad Kabir, Md. Zulfeqar Haider, Mohammad Moninoor Roshid, M. Obaidul Hamid, 2023-11-29 This collection presents a holistic picture of the sociolinguistic landscape in Bangladesh offering a critical understanding of language ideologies and social inequalities in the country as they connect more widely to dynamics in the Global South The book seeks to untangle the voices embedded in the language practices of a range of communities and professions in the region which have been little studied in the literature and encourage a rethinking of the relationships between language and nationality class ethnicity race and gender Highlighting perspectives from established and emerging researchers and drawing on a wide range of theoretical approaches and methodologies the volume is organized around such key themes as bilingualism and diglossia language variation across domains language and identity in literature and the interconnectedness of language identity and globalization Taken together the collection calls attention to the socially and spatially situated nature of language practices in Bangladesh and in turn the ways in which scholars in the Global South make sense of the sociolinguistic landscape at both the local and global levels This book will appeal to scholars working in sociolinguistics particularly those working on language policy language and identity language variation and in or about the Global South
