State Department Report Ukraine:

The Trump-Ukraine Impeachment Inquiry Report and Report of Evidence in the Democrats' Impeachment Inquiry in the House of Representatives House Permanent Select Committee, 2019-12-17 This book includes BOTH the official report of the impeachment investigation by the House Intelligence Committee AND the document issued in response by House Republicans A guidebook to the impeachment of President Trump this two in one book contains BOTH the official report of the impeachment investigation by the House Intelligence Committee led by Adam Schiff AND the document issued in response issued by House Republicans led by Devin Nunes And the package tells half the story The book is published as a flip book that is with each cover acting as a front cover one for the Committee report and one for the Republican report Depending on which one you read first you then flip the book over to read the other THE TRUMP-UKRAINE IMPEACHMENT INQUIRY REPORT + Various Transcripts And Testimonies of the House Permanent Select Committees on Intelligence, Foreign Affairs And Oversight and Reform , Over 800 total pages CONTENTS 1 THE TRUMP UKRAINE IMPEACHMENT INQUIRY REPORT Report of the House Permanent Select Committee on Intelligence Pursuant to H Res 660 in Consultation with the House Committee on Oversight and Reform 2 The testimony of Mr Sandy 3 The testimony of Mr Reeker 4 The transcript of the deposition of Dr Charles Kupperman on October 28 2019 5 The transcript of the deposition of Mr Brian McCormack on November 4 2019 6 The transcript of the deposition of Mr Robert Blair on November 4 2019 7 The transcript of the deposition of Mr John Eisenberg on November 4 2019 8 The transcript of the deposition of Mr Michael Ellis on November 4 2019 who failed to comply with the subpoena 9 The transcript of the deposition of Mr Michael Duffey on November 5 2019 who failed to comply with the subpoena 10 The transcript of the deposition of Mr Preston Wells Griffith on November 5 2019 who failed to comply with the subpoena 11 The transcript of the deposition of Mr T Ulrich Brechbuhl and Mr Russell Vought on November 6 2019 12 The transcript of the deposition of Mr John Michael Mick Mulvaney on November 8 2019 OVERVIEW The impeachment inquiry into Donald J Trump the 45th President of the United States uncovered a months long effort by President Trump to use the powers of his office to solicit foreign interference on his behalf in the 2020 election As described in this executive summary and the report that follows President Trump s scheme subverted U S foreign policy toward Ukraine and undermined our national security in favor of two politically motivated investigations that would help his presidential reelection campaign The President demanded that the newly elected Ukrainian president Volodymyr Zelensky publicly announce investigations into a political rival that he apparently feared the most former Vice President Joe Biden and into a discredited theory that it was Ukraine not Russia that interfered in the 2016 presidential election To compel the Ukrainian President to do his political bidding President Trump conditioned two official acts on the public announcement of the investigations a coveted White House visit and critical U S military assistance Ukraine needed to fight its Russian adversary During a July 25 2019 call between President Trump and President Zelensky President Zelensky expressed

gratitude for U S military assistance President Trump immediately responded by asking President Zelensky to do us a favor though and openly pressed for Ukraine to investigate former Vice President Biden and the 2016 conspiracy theory In turn President Zelensky assured President Trump that he would pursue the investigation and reiterated his interest in the White House meeting Although President Trump s scheme intentionally bypassed many career personnel it was undertaken with the knowledge and approval of senior Administration officials including the President s Acting Chief of Staff Mick Mulvaney Secretary of State Mike Pompeo and Secretary of Energy Rick Perry In fact at a press conference weeks after public revelations about the scheme Mr Mulvaney publicly acknowledged that the President directly tied the hold on military aid to his desire to get Ukraine to conduct a political investigation telling Americans to get over it **Oversight of the State Department's Country Reports on Human Rights Practices for 1990 and Human Rights Policy** United States.

The Impeachment Report The House Intelligence Committee,2019-12-13 The official report from the House Intelligence Committee on Donald Trump s secret pressure campaign against Ukraine featuring an exclusive introduction by Pulitzer Prize winning author and biographer Jon Meacham For only the fourth time in American history the House of Representatives has conducted an impeachment inquiry into a sitting United States president This landmark document details the findings of the House Intelligence Committee s historic investigation of whether President Donald J Trump committed impeachable offenses when he sought to have Ukraine announce investigations of former vice president Joe Biden and his son Hunter Penetrating a dense web of connected activity by the president his ambassador Gordon Sondland his personal attorney Rudolph Giuliani and many others these pages offer a damning blow by blow account of the president s attempts to use the powers of his office to solicit foreign interference on his behalf in the 2020 election and his subsequent attempts to obstruct the House investigation into his actions Published here with an introduction offering critical context from bestselling presidential historian Jon Meacham The Impeachment Report is necessary reading for every American concerned about the fate of our democracy *United States Congressional Serial Set, Serial No. 14747, Senate Reports Nos. 214-224 ,* Ukraine Taras Kuzio,2015-06-23 A definitive contemporary political economic and cultural history from a leading international expert this is the first single volume work to survey and analyze Soviet and post Soviet Ukrainian history since 1953 as the basis for understanding the nation today Ukraine dominated international headlines as the Euromaidan protests engulfed Ukraine in 2013 2014 and Russia invaded the Crimea and the Donbas igniting a new Cold War Written from an insider s perspective by the leading expert on Ukraine this book analyzes key domestic and external developments and provides an understanding as to why the nation s future is central to European security In contrast with traditional books that survey a millennium of Ukrainian history author Taras Kuzio provides a contemporary perspective that integrates the late Soviet and post Soviet eras The book begins in 1953 when Soviet leader Joseph Stalin died during the Cold

War and carries the story to the present day showing the roots of a complicated transition from communism and the weight of history on its relations with Russia It then goes on to examine in depth key aspects of Soviet and post Soviet Ukrainian politics the drive to independence Orange Revolution and Euromaidan protests national identity regionalism and separatism economics oligarchs rule of law and corruption and foreign and military policies Moving away from a traditional dichotomy of good pro Western and bad pro Russian politicians this volume presents an original framework for understanding Ukraine s history as a series of historic cycles that represent a competition between mutually exclusive and multiple identities Regionally diverse contemporary Ukraine is an outgrowth of multiple historical Austrian Hungarian Polish Russian and especially Soviet legacies and the book succinctly integrates these influences with post Soviet Ukraine determining the manner in which political and business elites and everyday Ukrainians think act operate and relate to the outside world

Landmine Monitor 2009 , Caribbean Anti-Trafficking Law and Practice Jason Haynes,2019-07-11 This monograph investigates the International European and Commonwealth Caribbean approaches to human trafficking from an Analytical Eclectic perspective It presents a compelling empirically based argument that although there is currently a panoply of measures aimed at preventing human trafficking prosecuting offenders and protecting trafficked victims in both Europe and the Commonwealth Caribbean these measures have in practice been fraught with a number of challenges whether of a normative institutional or individual nature The continued existence of these challenges strongly suggests that there exists a disconnect between anti trafficking law and practice which is not peculiar to small island developing States since they also extend to developed States including the United Kingdom Although these challenges are not insurmountable this monograph advances the argument that sustained social economic political and legal commitments are both necessary and desirable and that without such commitments only pyrrhic victories would be won in the fight to eradicate the scourge of the twenty first century Given the importance of the issue of human trafficking and its inescapable impact on victims families communities nations regions and the international community as a whole this monograph will serve as an important resource for policy makers scholars students and practitioners actively working in this increasingly dynamic area of law *Ukraine in the Crossfire* Chris Kaspar de Ploeg,2017-04-05 Ukraine is embroiled in a bloody civil war Both sides stand accused of collaborating with fascists of committing war crimes of serving foreign interests This proxy war between Russia and the West was accompanied by a fierce information war This book separates fact from fiction with extensive and reliable documentation While remaining critical of Russia and the Donbass rebellion De Ploeg demonstrates that many of the recent disasters can be traced to Ukrainian ultranationalists pro western political elites and their European and North American backers Ukraine in the Crossfire tackles the importance of ultranationalist violence during and after the EuroMaidan movement and documents how many of these groups are heirs to former nazi collaborators It shows how the Ukrainian state has seized on the ultranationalist war rhetoric to serve its own agenda clamping down on civil liberties on a scale unprecedented since

Ukrainian independence De Ploeg argues that Kiev itself has been the biggest obstacle to peace in Donbass with multiple leaks suggesting that US officials are pushing for a pro war line in Ukraine With the nation s eyes turned towards Russia the EU and IMF have successfully pressured Ukraine into adopting far reaching austerity programs while oligarchic looting of state assets and massive tax avoidance facilitated by western states continue unabated De Ploeg documents the local roots of the Donbass rebellion the overwhelming popularity of Crimea s secession and shows that support for Ukraine s pro western turn remains far from unanimous with large swathes of Ukraine s Russophone population opting out of the political process Nevertheless De Ploeg argues the pro Western and pro Russian camps are often similar neoliberal authoritarian nationalist and heavily dependent on foreign support In a wider exploration of Russo Western relations he examines similarities between the contemporary Russian state and its NATO counterparts showing how the two power blocs have collaborated in some of their worst violent excesses A far cry from civilizational or ideological clashes De Ploeg argues that the current tensions flow from NATO s military dominance and aggressive posture both globally and within eastern Europe where Russia seeks to preserve the status quo Packed with shocking facts deftly moving from the local to the international from the historical to the recent De Ploeg connects the dots *Russia's Road to War with Ukraine* Samir Puri,2022-08-25 We don t yet know where the current battle is headed But Puri s first cut will help us greatly in fathoming how we got here Patrick Porter Professor of International Security University of Birmingham When Vladimir Putin invaded Ukraine on 24 February 2022 many in the West were left stunned at his act of brutal imperialism To those who had been paying attention however the warning signs of the bloodshed and slaughter to come had been there for years Tracing the relationship between the two countries from the breakup of the Soviet Union in 1991 to Putin s invasion in 2022 what emerges from this gripping and accessible book is a portrait of a nation caught in a geopolitical tug of war between Russia and the West While Russia is identified as the sole aggressor we see how Western bodies such as the EU and NATO unrealistically raised Ukraine s expectations of membership before dashing them leaving Ukraine without formal allies and fatally exposed to Russian aggression As a former international observer Samir Puri was present for several of the major events covered in this book He uses this experience to ask honestly how did we get here Why does Vladimir Putin view Ukraine as the natural property of Russia Did the West handle its dealings with these countries prudently Or did it inflame the tensions left amidst the ruins of the Soviet Union Were there any missed opportunities to avert the war And how might this conflict end **Annual Report on International Religious Freedom 2004 and Designations of Countries of Particular Concern** United States. made headlines around the world during the winter of 2004-05 as the colorful banners of the Orange Revolution unfurled against the snowy backdrop of Kyiv signaling the bright promise of democratic rebirth. But is that what is really happening in Ukraine? In the early post-Soviet period, Ukraine appeared to be firmly on the path to democracy. The peaceful transfer of power from Leonid Kravchuk to Leonid Kuchma in the election of 1994 followed by the adoption of a western style democratic constitution in 1996 seemed to complete the picture. But the Kuchma presidency was soon clouded by dark rumors of corruption and even political murder, and by 2004 the country was in full-blown political crisis. A three-stage presidential contest was ultimately won by Viktor Yushchenko, who took office in 2005 and appointed Yulia Tymoshenko as premier, but the turmoil was far from over. The new government quickly faltered and splintered. This introduction to Ukrainian politics looks beyond these dramatic events and compelling personalities to identify the actual play of power in Ukraine and the operation of its political system. The author seeks to explain how it is that after each new beginning, power politics has trumped democratic institution building in Ukraine, as in so many other post-Soviet states. What is really at work here, and how can Ukraine break the cycle of hope and disillusionment?
