The Adam Chronicles Adam And Eve The Book:

The Adam Chronicles George Youket, 2014-11-24 It is the first morning in the Garden of Eden as the creatures of the forest awaken to see something beautiful and different lying among them As all the angels in the heavenly realm watch with great anticipation the Creator breathes into the nostrils of the still body Suddenly the creature begins to move Adam who has been given life is the first man and is created in the very image and likeness of God After Adam comes to understand the gift of life and love with help from the Father God takes him by the hand and shows him the garden paradise created just for him As Adam and God part for the night Adam lies down to sleep marveling at the power of his Creator and the beauty surrounding him On the seventh day God introduces Adam to the fruits of the garden and a woman created from his very own rib But just as Adam and Eve realize their love for each other a black force emerges to test everything they know and understand about God's love life and nature In this historical novel actual and imagined events weave together to bring to light the meanings and truths behind the story of the first Adam The Adam Chronicles transports readers into a realm where they can see feel touch and smell the beginning of God's mighty journey with humankind Mark Winheld Author and Literary Critic

The Gardeners' Chronicle ,1904 The

Holy Bible "Chronicle" of Sequential Biblical Events Robert Killian, 2012-09-27 Most of us have wondered sometime during our lifetime about when Adam and Eve were really expelled from paradise in the Garden of Eden Can we find a verifiable and replicable answer to this question Most of us have questioned sometime during our lifetime the accepted sequential biblical timeline of Archbishop James Ussher who claimed that 4004 BC was the actual date for that initial biblical event in our current holy scriptures Was he right Most of us have questioned sometime in our lifetime how the Hebrew s accepted claim that 3761 BC could be the actual date for Adam s expulsion Were they right Can we find a way to reconstruct the complete Hebrew Bible timeline from Adam s expulsion from paradise to our day Is this possible Who believes that it can be done Well it has been done Here is how it is done To reconstruct the Hebrew Bible timeline we need to know only the simple math formula that they used The employment of this simple formula shall enable us to rebuild that same sequential biblical timeline block by block in the exact same fashion that the Jewish people use from the beginning at Adam s expulsion from paradise in the Garden of Eden The formula used in reconstructing an actual count of the Hebrew Bible is found below 7 7 49 10 490 10 4 900 solar years 7 7 49 1 50 10 500 10 5 000 lunar years Since both of these 49 solar and 50 lunar periods of time contain 18 200 days approx we can then post the number of any given sequential biblical event in its designated year position on a side by side comparison chart If we post the number in this fashion it will show us exactly when and where on the timeline chart there is an error in the sequential computations of any sequential biblical event that is propounded by any biblical chronologist past or present In this present book we find that the Ussher biblical timeline is 112 years too early And the Hebrew biblical timeline of Codex Judaica is 131 years too late Obviously 3892 BC is the only year number that can work for a verifiable timeline This book *The Holy Bible Chronicle of Sequential Biblical Events* by Robert P Killian is the fruit of over seventy year search for that verifiable and replicable answer to the long sought question Can the Ussher biblical timeline be trusted ***The Colonial Church chronicle, and missionary journal.
