Type of Response Expected

Common Pitfalls

1

Share a significant aspect of your identity

A personal narrative that showcases a unique aspect of the applicant's values, experiences, and personality

Avoid clichés and superficial descriptions. Be introspective and reflective. Keep the focus on how the experience shaped who you are.

2

Describe a challenge & how you overcame it

An essay that shows how the applicant handled adversity and grew from the experience

Avoid presenting yourself as a victim or blaming others for your setbacks. Focus on your growth and development.

3

Discuss a time you challenged an idea or belief

An essay that demonstrates critical thinking and intellectual curiosity

Avoid controversial or offensive topics that could alienate your reader. Be respectful and open-minded.

4

Reflect on a moment of gratitude

A personal narrative that shows how someone else's actions impacted the applicant

Avoid being too general or clichéd. Be specific and thoughtful.

5

Describe a personal growth experience

An essay that showcases how the applicant learned about themselves or others

Avoid bragging or presenting yourself as perfect. Be honest about your flaws and challenges.

6

Discuss an intellectual passion

An essay that reveals the applicant's interests and curiosity

Avoid being too obscure or abstract. Make sure your passion is something you can explain in detail.

7

Share an essay on any topic

An opportunity for the applicant to showcase their writing and creativity

Avoid clichés or writing on a topic that does not showcase your unique voice and perspective. Be thoughtful and original.

Choosing Students Wayne Camara, Ernest W. Kimmel, 2005-03-23 This volume brings a variety of perspectives to bear on the issue of how higher education institutions can or should choose students during the early part of the 21st century Many of the contributors report on research to develop and validate potential tools to assist those responsible for admission decisions Other contributors however pose broader questions about the nature of selective

admissions about institutional responses to the changing demography of those seeking to enter higher education or about the appropriate criteria of success in higher education The volume is particularly timely because the question of how changes in admission tools and processes will affect campus diversity following the recent Supreme Court decision concerning the University of Michigan Diversity is an important concern of all of the contributors and the chapter by Lee Bollinger President at Michigan at the time the court cases were filed is particularly relevant This book brings together the research that underlies a variety of proposed approaches to improving the selection of students Providing support for the integrity of the admissions process and the validity of new tools to help a higher education institution to select a diverse student body this book explores the implications of the assessment component of K 12 school reform for higher education admissions practices The diverse contributions to this volume reflect the current ferment in educational research and educational practice as institutions of higher education seek to develop a new admissions paradigm for coming decades following the University of Michigan decisions This book is intended for those leaders and professionals who set admission policies and practices in American colleges and graduate and professional schools as well as for those scholars and scientists who research develop and validate tools for use in the process of choosing students in ways that are congruent with an institution s mission values and goals

The Ivy League Playbook Athena,2024-08-05 Elite American admissions systems seem shrouded in mystery Plummeting acceptance rates suggest that even the most stellar academic record no longer suffices to differentiate a candidate from the rest of the applicant pool The personal essay is an exercise in self marketing in underscoring your authentic value add to a college campus Without the right frameworks and insights on how to approach this task many applicants miss the opportunity to convey something profound about themselves After a decade of studying what works for the world s most selective admissions committees we ve crystalized the elements that distinguish winning essays from those cast upon the dreaded rejected pile Through in depth analyses of 25 Common Application Essays that have succeeded at Ivy League and Ivy Stanford Caltech UChicago universities you ll discover the transformative journey of composing an outstanding college essay that leaves a lasting impression And beyond the samples you ll gain actionable tools and concrete exercises in our workbook to compose your very own
