## Calamity Jane

Calamity Jane was a real person. She was born in about 1853 and died in 1903. She was a sharpshooter. This means that she was a great shot with a gun. She was also a great horseman. This means that she was great around horses. She performed in Wild West shows, where she showed off her great skills. Calamity Jane made up many stories about herself rescuing people from Indians or falling in love with important men. Maybe the stories are true. Maybe they are not.
