The Swimming Pool Library:

The Swimming-Pool Library Alan Hollinghurst, 2015-07-02 Young gay William Beckwith spends his time and his trust fund idly cruising London for erotic encounters When he saves the life of an elderly man in a public convenience an unlikely job opportunity presents itself The man is Lord Nantwich a gay peer of the realm and in the market for a biographer Reluctantly accepting the commission Will receives the first of Nantwich's diaries But in the story he unravels a tragedy of early 20th century gay repression lurk bitter truths about Will's own privileged existence **The Swimming-pool library** Alan Hollinghurst, 1985 *The Swimming Pool Library* Alan Hollinghurst, 2010-09-30 **From The Swimming-pool Library** Alan Hollinghurst, 1991 Twenty-First-Century Readings of E. M. Forster's 'Maurice' Emma Sutton, Tsung-Han Tsai, 2020-03-26 This is the first book length study of Forster's posthumously published novel Nine essays focus exclusively on Maurice and its dynamic afterlives in literature film and new media during the twentieth and twenty first centuries Begun in 1913 and revised over almost fifty years Maurice became a defining text in Forster's work and a canonical example of queer fiction Yet the critical tendency to read Maurice primarily as a revelation of Forster's homosexuality has obscured important biographical political and aesthetic contexts for this novel This collection places Maurice among early twentieth century debates about politics philosophy religion gender Aestheticism and allegory Essays explore how the novel interacts with literary predecessors and contemporaries including John Bunyan Oscar Wilde Havelock Ellis and Edward Carpenter and how it was shaped by personal relationships such as Forster's friendship with Florence Barger They close read the textual variants of Forster's manuscripts and examine the novel's genesis and revisions They consider the volatility of its reception analysing how it galvanizes subsequent generations of writers and artists including Christopher Isherwood Alan Hollinghurst Damon Galgut James Ivory and twenty first century online fanfiction writers What emerges from the volume is the complexity of the novel as a text and as a cultural phenomenon *Libraries, Literatures, and Archives* Sas Mays, 2013-11-26 Not only does the library have a long and complex history and politics but it has an ambivalent presence in Western culture both a site of positive knowledge and a site of error confusion and loss Nevertheless in literary studies and in the humanities including book history the figure of the library remains in many senses under researched This collection brings together established and up and coming researchers from a number of practices literary and cultural studies gender studies book history philosophy visual culture and contemporary art with an effective historical sweep ranging from the time of Sumer to the present day In the context of the rise of archive studies this book attends specifically and meta critically to the figure of the library as a particular archival form considering the traits that constitute or fail to constitute the library as institution or idea and questions its relations to other accumulative modes such as the archive in its traditional sense the museum or the filmic or digital archive Across their diversity and in addition to their international standard of research and writing each chapter is unified by commitment to analyzing the complex cultural politics of the library form **Being the Body of Christ** Chris

Mounsey,2014-09-19 The book explores the preoccupation of key twentieth century English writers with theology and sexuality and how the Anglican Church has responded and continues to respond to the issue of homosexuality Analysing the work of Oscar Wilde E F Benson Edward Carpenter Jeanette Winterson and Alan Hollingshurst the book explores the literary tradition of exasperation at the church's obduracy against homosexuality **London, Queer Spaces and Historiography in the Works of Sarah Waters and Alan Hollingshurst** Júlia Braga Neves,2022-10-07 Queer spaces are crucial for the construction of LGBTQ communities as they constitute places where queer subjects can create political social and affective alliances Júlia Braga Neves shows how these spaces are pivotal for the representation of queer history in the fictional works by the British authors Sarah Waters and Alan Hollingshurst whose characters and plots are articulated through and within London's sexual geographies Considering the intersection between gender sexuality and class this study engages with spatial queer feminist and Marxist theories as a means to reflect on London queer historiography and the relationship between subject and urban space *Alan Hollingshurst* Michele Mendelssohn,Denis Flannery,2016-07-08 This groundbreaking cross generic collection is the first to consider the entire breadth of Alan Hollingshurst's Booker Prize winning writing Focused through the concept of influence the volume addresses critical issues surrounding the work of Britain's most important contemporary novelist It encompasses provocative and timely subjects ranging from gay visual cultures and representations to Victorian modernist and contemporary literature as well as race and empire theatre and cinema eros and economics The book reveals the fascinating intellectual and affective matter that lies beneath the polished control and dazzling style of Hollingshurst's work Alongside contributions by distinguished British and American critics the book includes an unpublished interview with Hollingshurst *Alan Hollingshurst Writing under the influence* uses a creative range of critical approaches to provide the most authoritative and innovative account available of Hollingshurst's works **Sex and Sensibility in the Novels of Alan Hollingshurst** Mark Mathuray,2017-05-26 Winner of the British Association for Contemporary Literary Studies BACLS 2017 Edited Collection Prize This book is a challenging and engaging collection of original essays on the novels of Alan Hollingshurst Britain's foremost gay writer and the English novel's master stylist The essays engage the precarious and shifting relationship between sex and literary sensibility in his novels and thus also attempt to establish the parameters of a new critical discourse for future research on Hollingshurst's novel queer theory and the contemporary literary representations of masculinity and sexuality By coupling the consideration of Hollingshurst's aesthetics his sensuously evocative style to an interrogation of the social political and sexual currents in his texts the contributors of this collection provide distinctive interpretations of Hollingshurst's novels from Hollingshurst's uncovering of a gay artistic heritage to his re-signification of earlier English literary styles from his engagement with the Symbolist fin de siècle to his critique of aestheticism etc whilst paying close attention to the formally innovative qualities of his texts **Gay Fiction Speaks** Richard Canning,2001-01-18 Today's most celebrated prominent and promising authors of gay fiction in English explore the

literary influences and themes of their work in these revealing interviews with Richard Canning Though the interviews touch upon a wide range of issues including gay culture AIDS politics art and activism what truly distinguishes them is the extent to which Canning encourages the authors to reflect on their writing practices published work literary forebears and their writing peers gay and straight Edmund White talks about narrative style and the story behind the cover of *A Boy's Own Story* Armistead Maupin discusses his method of writing and how his work has adapted to television Dennis Cooper thinks about *L.A. The Promise of Welfare in the Postwar British and Anglophone Novel Kelly M. Rich, 2023-07-13 *The Promise of Welfare in the Postwar British Novel* offers a new literary history of the Second World War and its aftermath by focusing on wartime visions of rebuilding Britain Shifting attention from the People's War to the People's Peace this book shows that literature returns to the historic transition from warfare to welfare to narrate its transformative social potential and darker failures The welfare state envisioned that managing individuals private lives would result in a more coherent and equitable community a promise encapsulated in the 1942 Beveridge Report's promise of care from the cradle to the grave The postwar novel reveals the intimate effects that follow when infrastructures of collective living seek to organize social interaction tracing these effects through quasi-administrated home spaces such as girls hostels makeshift sanatoria and experimental schools Mid-century writers including Elizabeth Bowen Muriel Spark and Samuel Selvon used the militarized Home Front to present postwar Britain as a zone of lost privacy and new collective logics As the century progressed and as the unrealized dreams of welfare came to be dismantled authors including Alan Hollinghurst Michael Ondaatje and Kazuo Ishiguro registered an unfulfilled nostalgia for a Britain that never was situating British domestic policies within trajectories of historic and social violence Contemporary fiction continues to reanimate the transition from a warfare state to a welfare state preserving its transformative potential while redefining its possible futures With this long view of postwar fiction this volume demonstrates the holding power of welfare's promises of repair and Britain's mid-century on the British cultural imagination
