Have I Got a Deal for You!

...ana, what would your mother say if she sent you to the store to buy a
...utton and you came home with a whole closet full of new clothes?"

Jackson, she would probably be mad."

if you got an amazing deal?"

...s it would depend on how amazing the deal was. If it were REALLY

New Orleans. Later, President Jefferson sent James Monroe to France to help
close the deal. Jefferson gave him permission to pay up to \$10 million for New
Orleans, if necessary.

Napoleon Bonaparte was the leader of France. He was fighting a war
against Great Britain and needed money to pay for the war. Napoleon decided
that selling the land to America would be a great way
to get money. He offered to sell the entire Louisiana
Territory, not just New Orleans, to the United States.

US Christian Right and the profoundly hierarchical leadership of the Russian Orthodox Church as socially conservative actors and some of the ways they have engaged in contemporary politics Both are seeking to halt the perceived drift towards a more secular political order both face significant challenges in handling the consequences of secularism pluralism and liberal individualism and both believe that their nations can only be great if they remain true to their religious heritage In exploring their experience the book focuses on shared and different elements in their diagnosis of what is wrong with their societies and how this affects their policy intervention over issues such as religious and ethnic belonging sexual orientation and education Drawing on political sociological and religious studies this work will be a useful reference for students and scholars of religion and politics Russian politics and American politics Report United States.
