*Nature and Enactment of Tasks for Early English as a Foreign Language Teaching* Constanze Dreßler, 2018-12-03 This ethnographic case study is set within a collaborative research project in which teachers and researchers investigate early English as a Foreign Language (EFL) tasks in theory and practice in German primary schools. Results are obtained through an interpretation of multiple sources within an interdiscursive, multi-perspectived research agenda. The results suggest that EFL tasks can emerge during an interplay of four key teaching practices: doing school, providing space for learners to communicate, building a vocabulary and teaching the spoken language.

Surgical Technology - E-Book Joanna Kotcher Fuller, 2017-01-31 Learn to deliver the best patient care before, during and after surgery with *Surgical Technology: Principles and Practice*, 7th Edition. Within its pages you'll find comprehensive coverage of all the updated AST Core Curriculum components including all aspects of health care sciences, technological sciences, patient care concepts, preoperative, intraoperative and postoperative care, surgical procedures and professional practice. But what you won't find in any other surg tech book is an incredibly reader-friendly approach featuring conversational, mentor-like guidance and loads of full-color pictures and illustrations. You'll also have an abundance of helpful learning features at your disposal like case studies, review questions and online learning activities that will help you easily master important concepts and apply that learning to professional practice.
