Let's Play the Math Game John W. Joyner, 2013 Mathematics is arguably one the toughest subjects to study in school Many have shied away from its challenges And most of the people who as students retreated from this subject carried with them this aversion to adulthood But the author Dr John W Joyner contends that the study of mathematics can be fun But this needs the collaboration and cooperation between parent and child A parent as a child's first teacher has a great possibility to influence a child's future success And with this method it can be an enjoyable and more importantly a very enticing way to learn mathematics
