Ray Whittington,2015-06-22 The Business Environment and Concepts Volume of the Wiley CPA Examination Study Guides arms readers with detailed outlines and study guidelines plus skill building problems and solutions that help the CPA candidates identify focus on and master the specific topics that need the most work Many of the practice questions are taken from previous exams and care was taken to ensure that they cover all the information candidates need to master in order to pass the new computerized Uniform CPA Examination **Parsons' and Clevenger's Annual Practice Manual of New York** ,1923 **Exposing Fraud** Ian Ross,2015-10-12 Foreword by James D Ratley CFE President and CEO Association of Certified Fraud Examiners Beyond the basics tools for applied fraud management In Exposing Fraud Skills Process and Practicalities anti fraud expert Ian Ross provides both ideas and practical guidelines for applying sound techniques for fraud investigation and detection and related project management The investigative principles in this book are truly universal and can be applied anywhere in the world to

deal with any of the range of fraud types prevalent in today's business environments Topics covered include cyber fraud the psychology of fraud data analysis techniques and the role of corporate and international culture in criminal behavior among many others Ensure an optimal outcome to fraud investigations by mastering real world skills from interviewing and handling evidence to conducting criminal proceedings As technologies and fraud techniques become more complex fraud investigation must increase in complexity as well However this does not mean that time tested strategies for detecting criminals have become obsolete Instead it means that a hands on approach to fraud detection and management is needed more than ever The book does just that Takes a unique practical approach to the business of detecting understanding and dealing with fraud of all types Aids in the development of key skills including conducting investigations and managing fraud risk Covers issues related to ethically and efficiently handling impulsive and systemic fraud plus investigating criminals who may be running multiple scams Addresses fraud from a global perspective considering cultural and psychological factors that influence fraudsters Unlike other fraud investigation books on the market Exposing Fraud develops the ethical and legal foundation required to apply theory and advice in real world settings From the simple to the complex this book demonstrates the most effective application of anti fraud techniques

**Investigating White-Collar Crime** Petter Gottschalk, 2017-11-03 This book examines internal fraud investigations in public and private organizations It provides a theoretical framework of white collar crime and convenience theory to examine a number of case studies including some cases brought to light by the Panama Papers Investigating white collar crime is distinguished from other types of crime by concealment of the crime rather than the criminal victims who may be unaware of the crime and not directly visible to the criminal and the resources available to suspects It requires a unique strategy and a unique set of tools This work provides insight into a number of internal investigation reports that are normally not publicly available It will be of interest to researchers in criminology and criminal justice particularly with an interest in white collar crime and corruption as well as related fields such as business management economics and public administration
