Floyd,1900 *Dig* David Nichols,2016-10-11 David Nichols tells the story of Australian rock and pop music from 1960 to 1985 formative years in which the nation cast off its colonial cultural shackles and took on the world Generously illustrated and scrupulously researched Dig combines scholarly accuracy with populist flair Nichols is an unfailingly witty and engaging guide surveying the fertile and varied landscape of Australian popular music in seven broad historical chapters interspersed with shorter chapters on some of the more significant figures of each period The result is a compelling portrait of a music scene that evolves in dynamic interaction with those in the United States and the UK yet has always retained a strong sense of its own identity and continues to deliver new stars and cult heroes to a worldwide audience Dig is a unique achievement The few general histories to date have been highlight reels heavy on illustration and short on detail And while there have been many excellent books on individual artists scenes and periods and a couple of first rate encyclopedias there s never been a book that told the whole story of the irresistible growth and sweep of a national music culture Until now **Twilight and the Tortoise** Kunle Akinsemoyin,1972 **The Unofficial Guide to Game of Thrones** Kim Renfro,2019-10-08 The everything you missed wanted to know more about and can t get enough guide to the Game of Thrones television series from the first episode to the epic finale Valar morghulis Spanning every episode across all eight seasons INSIDER s entertainment correspondent Kim Renfro goes deep into how the show was made why it became such a phenomenon and explores every detail you want to know It s the perfect book to look back at all you may have missed or to jump start you on a second viewing of the whole series As an entertainment correspondent Renfro has covered the show s premieres broken down key details in scenes explored characters histories and interviewed the cast directors and crew In this book she sheds new light on the themes storylines character development the meaning of the finale and what you can expect next Some of the questions answered here include What was the Night King s ultimate purpose How did the show effect George R R Martin s ability to finish the book series Why were the final seasons shorter Why did the direwolves get shortchanged How were the fates of Jon Snow and Daenerys Targaryen foretold from the start Was that really a bittersweet ending Winter may have come and gone but there is still plenty to discover and obsess over in this behind the scenes fan guide to the Game of Thrones HBO series **Catalog of Copyright Entries** Library of Congress.
