An Exegetical Bibliography of the New Testament: Romans and Galatians Günter Wagner, 1983 Library has v 1 3 **The Westminster Theological Wordbook of the Bible** Donald E. Gowan, 2003-01-01 In The Westminster Theological Wordbook of the Bible an outstanding group of biblical scholars explain key theological and ethical words of the Bible New Revised Standard Version In its exploring groups of related words and drawing the reader into the meanings of the original Hebrew Aramaic and Greek Gowan s Wordbook will prove immensely helpful in understanding important terms such as Just Kingdom of God Resurrection and Son of Man **Resurrection, Apocalypse, and the Kingdom of Christ** Stanley S. MacLean, 2012-04-19 In recent decades few Christian themes have attracted as much attention as that of eschatology or Christian hope Resurrection Apocalypse and the Kingdom of Christ explores the meaning of this theme for Thomas F Torrance one of the twentieth century s leading theologians This study the first of its kind brings Torrance s eschatology to light through an exploration of the whole range of his corpus including sermons lectures and correspondence It also demonstrates that his eschatology is molded by momentous historical events such as World War II the spread of communism and the ecumenical movement Out of all this we realize that eschatology is a central component of Torrance s theology so much so that it conditions his thinking on other Christian doctrines **God and Contemporary Science** Philip Clayton, 1997 This text is part of the Edinburgh Studies in Constructive Theology series which aims to provide a dialogue between the history of Western theological traditions and the contemporary interpretative context Intended for those with no particular historical or theological training it guides students through the core theological issues searching out common ground by surveying the classic works of the theological tradition **The Law and the Knowledge of Good and Evil** Chris A. Vlachos, 2009-01-01 First Corinthians 15 56 The sting of death is sin and the power of sin is the law is both puzzling and neglected It is puzzling since there appears to be no precursor in 1 Corinthians to the law critical statement found there It is neglected because of its size Nevertheless the short verse offers the opportunity to analyze in a rudimentary state Paul s law sin notion that appears full blown in Romans and the absence of a polemical setting allows scholars to examine a law critical statement issued during a polemical lull In The Law and Knowledge of Good and Evil Vlachos weighs attempts to explain the presence of 1 Cor 15 56 in 1 Corinthians and argues that the Genesis Fall narrative where the tempter plied his seductions by way of the commandment provides the theological substructure to Paul s understanding of the law s provocation of sin In doing so Vlachos contends that Paul reaches the historical high water mark of his polemic against the salvific efficacy of the law by locating a law sin nexus in Eden and contrary to some recent perspectives on Paul he argues that the edentially

informed axiom in 1 Cor 15 56 suggests that Paul's fundamental concern with the law was rooted in primordial rather than ethnic soil While studies of Paul and the law have tended to bypass Eden The Law and Knowledge of Good and Evil breaks ground by moving the argument beyond Second Temple Judaism to the Genesis Fall account where the prohibition against partaking of the knowledge of good and evil led to the knowledge of sin **Jesus, Paul and the End of the World** Ben Witherington III,1992-04-13 Ben Witherington III offers a comparison and a critical assessment of the end times teachings of Jesus and Paul Perichoretic Salvation James D. Gifford,2011-09-15 For two thousand years Christian theologians have struggled to explain the believer's union with Christ What sort of union is it How can it be fully described This book is an attempt to join the conversation to explore exactly what it means to be in union with Christ This book will argue that the believer's union with Christ can rightly be presented as a third type of perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In Perichoretic Salvation James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century **The Resurrection** Stephen T. Davis,Daniel Kendall,Gerald O'Collins,1997-05-30 This collection of papers is an international ecumenical and interdisciplinary study of Jesus resurrection that emerged from the Resurrection Summit meeting held in New York at Easter 1996 The contributions represent mainstream scholarship on biblical studies fundamental theology systematic theology philosophy moral theology and homiletics and combine to offer a timely wide ranging and well balanced work on the central truth of Christianity History, Hope, Human Language, and Christian Reality Everett Ferguson,1999 **Clothed in the Body** Hannah Hunt,2016-05-23 Hunt examines the apparent paradox that Jesus earthly existence and post resurrection appearances are experienced through consummately physical actions and attributes yet some ascetics within the Christian tradition appear to seek to deny the value of the human body to find it deadening of spiritual life Hunt considers why the Christian tradition as a whole has rarely managed more than an uneasy truce between the physical and the spiritual aspects of the human person Why is it that the Church has energetically argued through centuries of ecumenical councils for the dual nature of Christ but seems still unwilling to accept the full integration of physical and spiritual within humanity despite Gregory of Nazianzus's comment that what has not been assumed has not been redeemed **Whatever Happened to the Soul?** Warren S. Brown,Nancey C. Murphy,H. Newton Malony,1997-12-01 As science crafts detailed accounts of human nature what has become of the soul This collaborative project strives for greater consonance between contemporary science and Christian faith Outstanding scholars

in biology genetics neuroscience cognitive science philosophy theology biblical studies and ethics join here to offer contemporary accounts of human nature consistent with Christian teaching Their central theme is a nondualistic account of the human person that does not consider the soul an entity separable from the body scientific statements about the physical nature of human beings are about exactly the same entity as are theological statements concerning the spiritual nature of human beings For all those interested in fundamental questions of human identity posed by the present context this volume will provide a fascinating and authoritative resource

To Tell the Mystery Thomas E. Schmidt, Moisés Silva, 1994-01-01 The eschatology at the core of the New Testament has been one of the scholarly interests of Robert Gundry of Westmont College in Santa Barbara California In this Festschrift for Gundry twelve contributors representing scholarship from several countries several traditions and several generations examine eschatological themes in Matthew Birger Gerhardsson and Donald Hagner the Synoptic Gospels I vol 1 Howard Marshall 2 Corinthians Jan Lambrecht Galatians Moises Silva 1 Corinthians Judith Gundry Volf Colossians James D G Dunn 2 Thessalonians Gordon D Fee 1 John D A Carson Revelation Thomas E Schmidt and the New Testament in general Michael Goulder and J Ramsey Michaels

The Resurrection of Jesus John Dominic Crossan, Nicholas Thomas Wright, 2005-11-07 Two of today s most important and popular New Testament scholars John Dominic Crossan and N T Wright here air their very different understandings of the historical reality and theological meaning of Jesus Resurrection The book highlights points of agreement and disagreement between them and explores the many attendant issues This book brings two leading lights in Jesus studies together for a long overdue conversation with one another and with significant scholars from other disciplines

Vital Issues in the Inerrancy Debate F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God s Word has been attacked throughout church history Today s assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God s inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God s Word Isaiah 40 8 The grass withers the flower fades But the word of our God stands forever

Death, Resurrection, and Transporter Beams Silas N. Langley, 2014-08-22 What has Star Trek to do with eternal life It provides the perfect metaphor for understanding the main Christian views concerning what happens to us when we die In this book

Silas Langley uses the Star Trek transporter beam to explain five main Christian views about life after death. Each of us lives with some personal answer to the universal question of what comes after death. Even among Christians, views differ as to what exactly happens when we die. Meanwhile, the modern secular world increasingly challenges the possibility of life after death. How can we live again after we die if much of science and philosophy suggests that all that we are dies with our bodies? This book shows how each of these views responds to these challenges. Death, Resurrection, and Transporter Beams sorts out these disagreements and their biblical grounding. These differences matter since they bear on who we are and how we are to live our lives. Readers will come away with a clearer understanding of their own beliefs on this topic and with tools to enter into dialogue with people whose beliefs differ.

Biblical Theology Ben Witherington, III, 2019-07-04 In *Biblical Theology*, Ben Witherington III examines the theology of the Old and New Testaments as a totality. Going beyond an account of carefully crafted Old and New Testament theologies, he demonstrates the ideas that make the Bible a sacred book with a unified theology. Witherington brings a distinctive methodology to this study. Taking a constructive approach, he first examines the foundations of the writers' symbolic universe: what they thought and presupposed about God and how they revealed those thoughts through the narratives of the Old and New Testaments. He also shows how the historical contexts and intellectual worlds of the Old and New Testaments conditioned their narratives and in the process created a large coherent Biblical world view, one that progressively reveals the character and action of God. Thus, the Yahweh of the Old Testament, the Son in the Gospels, and the Father, Son, and Spirit in the New Testament writings are viewed as persons who are part of the singular divine identity. Witherington's progressive revelation approach allows each part of the canon to be read in its original context and with its original meaning.

New Documents Illustrating Early Christianity, 9 Stephen Llewelyn, 2002-10-28 This new volume in the *New Documents* series continues the efforts of the Ancient History Documentary Research Centre at Macquarie University to make available Greek inscriptions and papyri that shed light on the Graeco-Roman world, the context in which the Christian church developed. Volume 9 includes a selection of secular texts as well as documents directly relating to Judaica and ecclesiastica. Notable entries include The Ecumenical Synod of Dionysiac Artists, The Elders and Rulers, Archons of the Jews, and Fragment from the Unknown Gospel. Papyrus Egerton 2. Texts and translations are printed side by side. Full indices and references are also provided. Since it is being published in honor of Paul Barrett, this volume includes a special preface by Alanna Nobbs, an introductory reflection on Barrett's career, and New Testament history by E. A. Judge, and a bibliography of Barrett's work compiled by C. B. Forbes.
