A red circular graphic with a gradient, appearing as a semi-circle or a partial circle, located to the right of the author's name.

Walmart Benefits Enrollment Period:

Wal-Mart Wars Rebekah Peebles Massengill, 2013-03-25 Wal Mart is America's largest retailer. The national chain of stores is a powerful stand in of both the promise and perils of free market capitalism. Yet it is also often the target of public outcry for its labor practices, to say nothing of class action lawsuits and a central symbol in America's increasingly polarized political discourse over consumption capitalism and government regulations. In many ways the battle over Wal Mart is the battle between Main Street and Wall Street as the fate of workers under globalization and the ability of the private market to effectively distribute precious goods like health care take center stage. In *Wal Mart Wars* Rebekah Massengill shows that the economic debates are not about dollars and cents but instead represent a conflict over the deployment of deeper symbolic ideas about freedom, community, family, and citizenship. *Wal Mart Wars* argues that the family is not just a culture wars issue to be debated with regard to same sex marriage or the limits of abortion rights; rather, the family is also an idea that shapes the ways in which both conservative and progressive activists talk about economic issues and in the process construct different moral frameworks for evaluating capitalism and its most troubling inequalities. With particular attention to political activism and the role of big business to the overall economy, Massengill shows that the fight over the practices of this multi-billion dollar corporation can provide us with important insight into the dreams and realities of American capitalism. Rebekah Peebles Massengill is a Lecturer in the Department of Sociology at Princeton University.

Bowerman V. Wal-Mart Stores, Inc. Associates' Health and Welfare Plan, 1999 **Discounting Rights** Carol Pier, Human Rights Watch (Organization), 2007 Human Rights Watch found that while many American companies use weak US laws to stop workers from organizing, the retail giant stands out for the sheer magnitude and aggressiveness of its anti-union apparatus. Many of its anti-union tactics are lawful in the United States though they combine to undermine workers' rights. Others run afoul of soft US laws.

Bulletin to Management, 2007 [BNA Pension & Benefits Reporter](#), 2008 *Human Resources Report*, 2009

The DeMarco Factor Michael Pertschuk, 2025-05-20 Vinny DeMarco might be a latter day Don Quixote except that he tilts his lance at real obstacles to social justice: lobby-locked state legislatures and Congress stonewalling the public will. And he makes impossible dreams come true. In twenty years of organizing campaigns in Maryland, he has led successful efforts to pass gun control laws against National Rifle Association opposition to hike cigarette taxes to prevent youth smoking and to extend health care to hundreds of thousands of low-income workers. He has also built a unique alliance of mainstream and conservative faith groups which helped secure rare bipartisan votes in Congress for the enactment in July 2009 of landmark FDA regulation of tobacco manufacture and marketing. DeMarco's unique strategic template developed over two decades of serial campaigning includes momentum building, stages over a multiyear campaign, unrelenting skillful access to the media for engaging public support, coalitions of hundreds even thousands of faith, community, labor, public health, and business groups, and a hard press on candidates to support legislation before elections rather than after they are comfortably

in office As an organizer leader Demarco also succeeds in his campaigns through force of personality his unquenchable exuberance and idiosyncrasies delight and madden his opponents sometimes his allies too Michael Pertschuk himself a veteran advocate here chronicles three of DeMarco s campaigns each facing a different obstacle course His deep analysis draws out strategic and leadership lessons that engaged citizens and advocates for popular causes stonewalled by powerful lobbies can put to immediate and practical use **Employee Benefits Cases** ,2010 *The Local Economic Impact of Wal-Mart* Michael J. Hicks,2007 While there have been other books on Wal Mart none has provided scholarly economic analysis of the impact of this retail giant The Local Economic Impact of Wal Mart offers significant empirical evidence which highlights important questions **Daily Labor Report** ,2007 **Health Industry Communication** Nancy J. Hicks,Christina M. Nicols,2016-03-01 The Second Edition of Health Industry Communication New Media New Methods New Message is a thorough revision fills a critical gap in the literature for communications students as well as students of health administration and public health Featuring best practices and case studies from notable practitioners the chapters offer a 360 degree view of the world of health communications from a business and promotions outlook as well as a look at special topics that impact health communicators **Building a Culture of Health** John A. Quelch,Emily C. Boudreau,2016-09-22 This ambitious volume sets out to understand how every company impacts public health and introduces a robust model rooted in organizational and scientific knowledge for companies committed to making positive contributions to health and wellness Focusing on four interconnected areas of corporate impact it not only discusses the business imperative of promoting a healthier society and improved living conditions worldwide but also provides guidelines for measuring a company s population health footprint Examples statistics and visuals showcase emerging corporate involvement in public health and underscore the business opportunities available to companies that invest in health The authors offer a detailed roadmap for optimizing health promoting actions in a rapidly evolving business and social climate across these core areas Planning and building a culture of health Consumer health How organizations affect the safety integrity and healthfulness of the products and services they offer to their customers and end consumers Employee health How organizations affect the health of their employees e g provision of employer sponsored health insurance workplace practices and wellness programs Community health How organizations affect the health of the communities in which they operate and do business Environmental Health How organizations environmental policies or lack thereof affect individual and population health Implementing and sustaining a culture of health Building a Culture of Health clarifies both a mission and a vision for use by MPH and MBA students in health management professors in schools of public health and business schools and business leaders and chief medical officers in health care and non health care businesses The Case Against Wal-Mart Al Norman,2004 The Case Against Wal Mart details how Wal Mart has used unfair and questionable business practices to achieve its extraordinary success in the U S and across the world In its climb to become the world s largest company Wal

Mart exploits its workers its suppliers and its customers The Case Against Wal Mart is presented as a legal brief against Wal Mart with counts against the company ranging from its employment practices to its Made in America mythology Author Al Norman encourages consumers to boycott Wal Mart to show their dissatisfaction with the way Wal Mart conducts its business The book gives the facts behind the world s largest retailer an important book that every consumer in America should read

Understanding Business Ethics Peter A. Stanwick, Sarah D. Stanwick, 2024-05-08 Understanding Business Ethics Fourth Edition offers an impactful exploration into the realm of ethics in the global business environment Authors Peter A Stanwick and Sarah D Stanwick integrate four key dimensions to differentiate their work from other ethics textbooks a global perspective real world business cases comprehensive ethics topics and a consistent theme linking each chapter Whether it s uncovering the intricate relations between businesses and their stakeholders discussing the effects of financial reporting or exploring the ethical implications of information technology marketing human resources and the natural environment this textbook equips readers with a robust ethical framework for the business world Additionally the timely case studies from diverse industries demonstrate the very real consequences of ethical and unethical decisions This text is offered in Sage Vantage an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support Watch this video walkthrough and see how Vantage works

The Retail Revolution Nelson Lichtenstein, 2009-07-21 The definitive account of how a small Ozarks company upended the world of business and what that change means Wal Mart the world s largest company roared out of the rural South to change the way business is done Deploying computer age technology Reagan era politics and Protestant evangelism Sam Walton s firm became a byword for cheap goods and low paid workers famed for the ruthless efficiency of its global network of stores and factories But the revolution has gone further Sam s prot g s have created a new economic order which puts thousands of manufacturers indeed whole regions in thrall to a retail royalty Like the Pennsylvania Railroad and General Motors in their heyday Wal Mart sets the commercial model for a huge swath of the global economy In this lively probing investigation historian Nelson Lichtenstein deepens and expands our knowledge of the merchandising giant He shows that Wal Mart s rise was closely linked to the cultural and religious values of Bible Belt America as well as to the imperial politics deregulatory economics and laissez faire globalization of Ronald Reagan and his heirs He explains how the company s success has transformed American politics and he anticipates a day of reckoning when challenges to the Wal Mart way at home and abroad are likely to change the far flung empire Insightful original and steeped in the culture of retail life The Retail Revolution draws on first hand reporting from coastal China to rural Arkansas to give a fresh and necessary understanding of the phenomenon that has transformed international commerce

St. Thomas Law Review ,2006 [Handbook on the Economics of Retailing and Distribution](#) Emek Basker, 2016-01-29

This Handbook explores and critically examines current research in economics and marketing science on key issues in retailing and distribution. Providing a rich perspective for the discussion of public policy contributions from several disciplines and continents range from the history of chains and the impact of multinational retailers on international trade patterns to US merger policy in the retail context the rise of the Internet and consumer to consumer sales. The chapters address methodological issues such as the structural estimation of entry games between retailers productivity measurement when both inputs and output are not fully observable and demand estimation with variable assortment. Policy issues explored include mergers zoning and the regulation of buyer power while other chapters address some of the recent exciting developments in technology retail formats and data availability. The book goes on to study the changes in online retailing and big data and to examine competition in specific retail sectors including gasoline stations automobile dealerships supermarkets and big box retail. This state of the art Handbook is an essential reference for students and academics of economics and marketing science and offers an outsider's perspective to specialists in operations research data analytics geography and sociology.

Benefits Quarterly ,2002 **Ethics and the Conduct of Business** John Raymond Boatright,2009

Ethics and the Conduct of Business 6 is a comprehensive and up to date discussion of the most prominent issues in the field of business ethics and the major positions and arguments on these issues. Numerous real life examples and case studies are used throughout the book to increase understanding of issues stimulate class discussion and show the discussion's relevance to real life business practice. The focus of Ethics and the Conduct of Business is primarily on ethical issues that corporate decision makers face in developing policies about employees customers and the general public. The positions on these issues and the arguments for them are taken from a wide variety of sources including economics and the law.

Pension, Profit-sharing, Welfare, and Other Compensation Plans ,2001-10
