Robbins,2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they re doing right now in the youth group the reality is that the most important thing they are doing won t actually be evident until much later That s because the biggest challenge for any youth ministry is helping teens embrace a whole hearted devotion to God that lasts far beyond their years in the youth room Unfortunately much of youth ministry seems to be designed on the model of setting teenagers up for a date with God a delightful evening that involves music laughter food and light conversation But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers In this concise book ideal for busy youth workers they ll be equipped to build a youth ministry that instills that lasting faith in its students

Strauss,2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today s World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight *Following Jesus Christ* represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological

Seminary *Saint Paul as Spiritual Director* Victor A. Copan,2008-02-01 In recent years much has been written on spiritual direction However confusion and at times outright contradiction exist between the aims and methodologies of various models of Christian spiritual direction In order to develop solid criteria for evaluating and critiquing these models it is necessary to root the practice of spiritual direction in the biblical record The intention of this study is to provide such biblical moorings by examining the Apostle Paul as a case study in his function as a spiritual director with respect to his aims and praxis of spiritually forming the members of the congregations he founded

**Redeeming The Time** Daryl Poe,2024-10-08 The Church s immutable mission is to intentionally share Christ s kingdom The believer s divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward Redeeming the Time God s CLEAR Path Forward biblically examines Christ s transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ s servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple s relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically examines Christ s transformational leadership as the servant way the appointed way the passionate way and the challenging

way For all who follow Him He is our CLEAR Path forward      *Walking with God in the Twenty-First Century* Martin L.
