under the new flagship Eckener met his match in Juan Trippe the ruthlessly ambitious king of Pan American Airways who believed his fleet of next generation planes would vanquish Eckener's coming airship armada It was a fight only one man and one technology could win Countering each other's moves on the global chessboard each seeking to wrest the advantage from his rival the struggle for mastery of the air was a clash not only of technologies but of business diplomacy politics personalities and the two men's vastly different dreams of the future Empires of the Sky is the sweeping untold tale of the duel that transfixed the world and helped create our modern age
