## **Zimbabwe Ordinary Level Exam Fees 2015:**

**A Balancing Act** Ndlovu, Mary, 2016-12-13 Zimbabwean independence in 1980 demanded a thorough revision of the way in which the law was provided in order to dispense with any form of discrimination based on race or class. The ideals and principles behind this requirement had many practical implications in terms of provision, access, information and education as well as a profound understanding of tradition and customary law. It was these manifold challenges that gave rise to the Legal Resources Foundation. *A Balancing Act: A History of the Legal Resources Foundation 1985-2015* examines the impulse, growth, development of an NGO which has steadfastly sought to bring law to the people of Zimbabwe over three turbulent decades. Through a study of its outreach, publication, advocacy and education programmes, the author Mary Ndlovu implicitly explores the social, economic and political framework of society and the state that determined the LRF's trajectory. As the renowned jurist Reg Austin writes, 'Examined from the perspective of its ambitious objectives and the range of its activities, this study of the LRF sheds an important light on a vital part of Zimbabwe's national history. The book is an important addition to the national literature on the role of the non-governmental sector.' *Tourism, Philanthropy and School Tours in Zimbabwe* Kathleen Smithers, 2024-08-05 This book explores the phenomena of school tours and tourism. It explores tensions of authenticity and artificiality in the school site being both a place of community learning and a spectacle for tourism consumption. Through the example of a school in Matabeleland North, Zimbabwe, the book examines the act of a school tour whose main aim is to provide funds for the school. It offers a unique interdisciplinary lens that examines both the school as a tourism destination and as a site of learning. By drawing on these two fields, the book provides insights into the tensions inherent in a school that is also a tourism destination. This book will demonstrate to readers the tensions present in tourism partnerships with schools that include some source of philanthropic funding and unpack the complexities of tourism that draws on stereotypical cultural images. It explores these tensions through the lens of school leaders, students, teachers and tourism personnel. The book provides a major and unique contribution to the field of tourism studies and education. It will be of interest to students and researchers interested in tourism studies, sociology, education, philanthropy, development studies and the Global South. *UP Police Sub Inspector (UPSI) Exam Prep Book 2024 (English Edition) - 10 Practice Mock Tests and 2 Previous Year Papers (1900 Solved Questions)* EduGorilla Prep Experts, 2020-09-30 Best Selling Book in English Edition for Uttar Pradesh Sub Inspector UPSI Exam with objective type questions as per the latest syllabus given by the UPPRPB.
