Gce A Level Economics: The Examination Skills Guide Christabelle Soh,2021-09-29 Why do hard working students who understand all the economic concepts not do well in GCE A Level Economics examinations The reason is surprisingly simple There are two areas that students need to do well in content mastery and Economics specific examination skills Students who have revised the content thoroughly could still perform poorly because they lack the latter This book is meant to fill this gap by being the first book that makes the full range of these examination skills explicit The skills covered in this book are organized by question type The first section covers the skills needed to answer case study questions and the second section covers the skills needed to answer essay questions Each skill is illustrated using worked examples of examination type materials and questions At the end of each section a summary of the skills required is provided to enable students to do a quick revision before the relevant papers

Easy Mark Economics Exercises for AS Level Fiona Anderson,Ian Anderson,2004 Leaving Certificate Economics Notes James O'Donnell,2017-05-09 These notes treat of the Leaving Certificate Higher Level Economics course The coverage is as short and concise as possible to aid the student s learning It was necessary to omit certain topics such as population economics and development however all omissions concern material which is not central to the course or an understanding of economics As such these notes form the minimum course of economics required to get an A1 in the Irish Leaving Certificate or at least to do very well It is important to note that these notes should be utilised in conjunction with past papers and past marking schemes in order to maximise examination performance
