### Format of a report

To:

[The full name or professional title of the recipient] for example: To: The General Manager.

From: [ Your full name or title] for example: From: The Finance Manager.

Date: [ Date on which the report was written] for example: 18 April 2014

Title: [A brief and descriptive title for the report] for example: Quarterly Financial Report.

In the first paragraph state the Who, what,where and when. For example, "As is required by company policy and as the finance manager I hereby present the quarterly financial report for the quarter ended 31 March 2014."

In the other paragraphs use the points given in the question and expand them using your knowledge and diligently present them in chronological or some other logical order. The points might be in the form of a graph or chart. In such cases do not merely repeat the information shown on the graph for example we had a Sales figure of \$38 000 over the course of the quarter. Be insightful and analytic for example: We had sales of \$38 000 in the quarter which is a decrease from the previous sales of \$45 000 in the same quarter last year. This might be a result of a fall in demand of pencil skirts which were are most popular product last summer. We hope to find alternative fashionable items to fill the void in the coming quarter.

In the last paragraph give a general remark or make a recommendation based on the topic. For example:
